45

RECOMMENDATION

THAT Report be received for information; and,

THAT Council adopt the Sidewalk Policy, as attached to this report.

11. BY-LAWS

RECOMMENDATION

THAT By-Laws 2025-54, 2025-55, 2025-56, 2025-57, and 2025-58 as attached to this Agenda be read a first, second and third time, and finally passed in Open Council.

11.1 By-law 2025-54 Regulate Encroachments on Boulevards 54

11.2 By-law 2025-55 Regulate discharges to the Sewage Works and Drainage Works of the Township of Wilmot, and to provide for the protection of these systems and the Natural Environment. 65

11.3 By-law 2025-56 Authorize an Agreement with the Township of Wellesley for Boundary Fire Coverage 86

11.4 By-law 2025-57 Authorize an Agreement with 410754 Ontario Ltd. o/a Sousa Concrete for the Haysville Road Valve Chamber

11.5 By-law 2025-58 Appoint an Acting Deputy-Treasurer (Jeff Willmer) 103

12. NOTICES OF MOTION

12.1 Councillor S. Martin's Notice of Motion Regarding the Expansion of the Township of Wilmot Recycling Program

RECOMMENDATION

WHEREAS the Township of Wilmot ("Township") 2025-2027 Strategic Action Plan Action Item 3.3 is Protecting our natural environment; and,

WHEREAS recycling helps reduce the strain on our landfills and contributes positively to environmental protection; and,

WHEREAS the Township supports household recycling through the Region of Waterloo Waste Management program; and,

WHEREAS the Township subcontracts waste and recycling services at

our facilities and properties; and,

WHEREAS recycling bins are available at several, but not all, Township-owned facilities and properties.

NOW THEREFORE BE IT RESOLVED

THAT Staff report back to Council at the November Committee of the Whole Meeting concerning the cost and staff time involved in the expansion of our recycling program at Township-owned facilities and properties; and,

THAT the report includes information on the feasibility of a full recycling program across all Township properties, all Township-run events, and all events held at rented Township facilities.

13. ANNOUNCEMENTS

**14. CONFIRMATORY BY-LAW
RECOMMENDATION**

104

THAT the Confirmatory By-Law as attached to this Agenda be read a first, second and third time, and finally passed in Open Council.

15. ADJOURNMENT

RECOMMENDATION

THAT we do now adjourn to meet again at the call of the Mayor.

Seconded by: Councillor K. Wilkinson

THAT Consent Agenda Items 10.2, 10.3, 10.4, 10.5, 10.6 and 10.8 be approved.

Motion Carried Unanimously

10.1 CAO-2025-12 -RFP-2025-24 Service Delivery Review Bid Process Update

Director of Development Services, H. O'Krafka introduced the report.

Delegate B. Wolfe addressed the Committee.

The Committee asked and received a response to the following:

- Clarification regarding whether the service delivery review is separate from the previous people plan review.

Moved by: Councillor L. Dunstall

Seconded by: Councillor S. Martin

THAT Report CAO-2025-12 -RFP-2025-24 Service Delivery Review Bid Process Update be received for information.

Motion Carried Unanimously

10.2 COR-2025-31 - Information on Bill 9, Municipal Accountability Act, 2025

THAT Report COR-2025-31 Information on Bill 9, Municipal Accountability Act, 2025 be received for information.

10.3 CS-2025-11 - 2025 Canada Day Event Task Force Post Event Report

THAT Report CS-2025-11, 2025 Canada Day Event Task Force Post Event Report be received for information.

10.4 FS-2025-02 - Fire Service Boundary Agreement Renewal Township of Wellesley

THAT Report FD 2025-02, regarding the renewal of the Fire Service Boundary Agreement with the Township of Wellesley, be received for information; and,

THAT Council consider By-law 2025-56, authorizing the Mayor and Clerk to execute an agreement with the Township of Wellesley for the continued provision of fire protection services within the designated boundary area of the Township of Wilmot.

10.5 IS-2025-30 - Encroachment By-Law

The Committee asked and received a response to the following:

- How the By-law will address natural growth within the right-of-way;
- Whether there can be more collaboration with property owners through the administration of the By-law; and,

- How the By-law will be applied in agricultural areas.

THAT Report IS-2025-30, Encroachment By-law be received for information;

THAT Council approve the Encroachment By-law to be implemented within the Township of Wilmot to regulate permanent installations within the municipal Right of Way; and,

THAT Council consider By-law 2025-54 being a bylaw to authorize the Mayor and the Clerk to sign the Encroachment By-law.

10.6 IS-2025-33 - Award of Contract – Haysville Road (Twp Rd 12) Valve Chamber Construction

The Committee asked and received a response to the following:

- Whether the Township has the authority to require upgrades to the system as a result of a condominium development.

THAT Report IS-2025-33, Award of Contract - Haysville Road (Township Road 12) Valve Chamber Construction be received for information;

THAT Council approve an increased limit to the Haysville Road (Township Road 12) Valve Chamber Construction by \$79,095.00 for a total project estimated amount of \$229,095.00; and,

AND THAT Council consider By-law 2025-57, being a by-law authorizing the Mayor and the Clerk to enter into an agreement with 410754 Ontario Limited o/a Sousa Concrete for the Haysville Road (Twp Road 12) Valve Chamber Construction within the total budget of \$229,095.00.

10.7 IS-2025-34 - Sidewalk Policy

A motion was introduced by Councillor K. Wilkinson, and Councillor L. Dunstall seconded the motion THAT Report IS-2025-34, Sidewalk Policy be received for information; and, THAT Council approves the proposed Sidewalk Replacement and Infill Policy to guide decisions for the replacement of sidewalk and installation of new sidewalk or active transportation infrastructure within the Township of Wilmot.

The Committee asked and received a response to the following:

- How the construction installation timelines could be adjusted if a 1.2 metre width sidewalk panel is installed;

- Whether there are additional methods to improve the Township's sidewalk network; and,
- Whether high pedestrian traffic areas can be targeted for improvement as opposed to lower pedestrian traffic areas.

A motion was introduced by Councillor S. Cressman, and Councillor H. Sidhu seconded the motion THAT Council amend the motion to insert THAT staff amend the proposed Sidewalk Replacement and Infill Policy to follow that any sidewalk panel being replaced shall be installed to the same width of the existing sidewalk panel, except where a full block segment is being reconstructed. The motion carried unanimously.

The Main Motion was voted upon as amended.

Moved by: Councillor K. Wilkinson

Seconded by: Councillor L. Dunstall

THAT Report IS-2025-34, Sidewalk Policy be received for information; and,

THAT staff amend the proposed Sidewalk Replacement and Infill Policy to follow that any sidewalk panel being replaced shall be installed to the same width of the existing sidewalk panel, except where a full block segment is being reconstructed; and,

THAT Council approves the proposed Sidewalk Replacement and Infill Policy to guide decisions for the replacement of sidewalk and installation of new sidewalk or active transportation infrastructure within the Township of Wilmot.

Motion Carried Unanimously

10.8 IS-2025-35 - Sewer Use By-Law

THAT Report IS-2025-35 Sewer Use By-law be received for information;

THAT Council approve the proposed Sewer Use By-Law attached to Report IS-2025-35 as an update to the existing Township of Wilmot By-Law 73-30 being a by-law to control discharge of sewage into the sewage system of the municipality, and 73-57 requiring the connecting of buildings to sewage works and water works in the Township of Wilmot; and,

THAT Council consider By-law 2025-55 being a by-law to regulate discharges to the sewage works and drainage works of the Township of

Wilmot and to provide for the protection of these systems and the natural environment and to repeal By-laws 73-30 and 73-57.

11. REPORTS

11.1 COR-2025-43 – 2026 Council Meeting Schedule

Manager of Legislative Services / Clerk, K. Bos presented the report to the Committee.

The Committee asked and received a response to the following:

- Whether a comprehensive review will be conducted regarding the Committee of the Whole structure.

Moved by: Councillor L. Dunstall

Seconded by: Councillor H. Sidhu

THAT Report COR-2025-43 2026 Council Meeting Schedule be received for information; and,

THAT the 2026 Council Meeting Schedule be approved as attached to Report COR-2025-43.

Director of Community Services, C. Catania presented the report to the Committee.

The Committee asked and received a response to the following:

- Whether the real estate values provided consider demolition costs or additional fees.

Moved by: Councillor L. Dunstall

Seconded by: Councillor H. Sidhu

THAT Report CS-2025-13, Assessment of Community Buildings and Land be received for information.

Motion Carried Unanimously

At this time, Mayor N. Salonen pulled up Item 12.2 Councillor L. Dunstall Notice of Motion Regarding an Evaluation Matrix of Township Buildings and Lands for discussion.

11.5 CS-2025-18 - Wilmot Canada Day Committee

Director of Community Services, C. Catania presented the report to the Committee.

The Committee asked and received a response to the following:

- Clarification regarding the Committee's ability to address other business at a meeting.

Moved by: Councillor S. Martin

Seconded by: Councillor H. Sidhu

THAT Report CS-2025-18 Wilmot Canada Day Committee be received for information; and,

THAT in accordance with Section 4.3.1 of the Committee Governance Policy GP-23-01 the Wilmot Canada Day Event Task Force be dissolved; and,

THAT Council directs Staff to work with local organizations and community groups on planning, implementing and executing an inclusive Canada Day celebration event, which normally consists of one focal event on July 1st.

Motion Carried Unanimously

12. NOTICES OF MOTION

12.1 Councillor S. Martin Notice of Motion Regarding Code of Conduct Review

Councillor S. Martin introduced the Notice of Motion.

Manager of Legislative Services / Clerk, K. Bos provided an update regarding Bill 9, Municipal Accountability Act, 2025.

Councillor S. Martin withdrew the motion.

WHEREAS Subsection 223.2(1) of the Municipal Act, 2001 requires every municipality to establish codes of conduct that apply to members of council and local boards; and,

WHEREAS the Township of Wilmot Code of Conduct for Elected Officials came into force and effect on November 19, 2007; and,

WHEREAS the Code of Conduct helps to ensure that the members of Council share a common basis for acceptable conduct; and,

WHEREAS there has been a significant amount of time since the review of the Townships Code of Conduct for Elected Officials.

NOW THEREFORE BE IT RESOLVED THAT Council directs Staff to work with our Integrity Commissioner to review and propose amendments to the Code of Conduct for Elected Officials by the Fall of 2025.

12.2 Councillor L. Dunstall Notice of Motion Regarding an Evaluation Matrix of Township Buildings and Lands

Mayor N. Salonen raised this item immediately following Item 11.4 CS-2025-13-Assessment of Community Buildings and Land.

Councillor L. Dunstall introduced the Notice of Motion.

The Committee asked and received a response to the following:

- How a point-based system could be applied within the evaluation matrix;
- The process for considering the Notice of Motion;
- Whether all Township owned land and buildings should be considered; and,
- When large-scale multi-purpose recreational centres are built whether satellite smaller facilities are closed.

Moved by: Councillor L. Dunstall

Seconded by: Councillor K. Wilkinson

WHEREAS at the January 27, 2025 Special Council Meeting, Council for the Township of Wilmot directed Township to prepare an assessment of buildings and land owned by the Township, with consideration given to cost-benefit analysis, third-party tenant evaluation, identification of surplus assets, space utilization analysis, community engagement, and to prepare recommendations for Council's consideration; and,

WHEREAS Township staff brought forward Report CS-2025-13 Assessment of Community Builds and Land to the September 8, 2025 Committee of the Whole; and,

WHEREAS Council now seeks a standardized evaluation process regarding buildings and lands to support decision-making regarding the future of these municipal assets.

NOW THEREFORE BE IT RESOLVED

THAT Council directs staff to report back by the December 22, 2025 Council Meeting with an assessment of community buildings and lands using a point-based evaluation matrix to rank the buildings and lands; and,

THAT the evaluation matrix include the following categories:

1. Cost burden: 10-year capital needs, net annual operating costs after revenues, utilities;
2. Utilization and access: percent of prime hours booked, groups served, how close other comparable spaces are;
3. Community outcomes: seniors/youth programs, services that rely on the space, ease of relocating;
4. Condition and risk: structural issues, floodplain limits, health and safety.
5. Future potential: ability to adapt, partner interest, and fit with Master Plan.
6. Market value/exit readiness: what the Township could realistically sell it for, restrictions that lower value;

THAT Council direct staff that upon completion of the evaluation using the evaluation matrix staff to identify the lowest-scoring buildings and lands and determine the appropriateness of disposition or long-term lease; and,

THAT Council direct staff to report regarding how programs at the lowest-scoring site could be relocated.

Motion Defeated

13. ANNOUNCEMENTS

Chief Administrative Officer, J. Willmer provided an updated regarding the 2026 Budget process to that the effect that existing approved schedule will be altered, and that a revised schedule will be issued.

Mayor N. Salonen provided the following announcements:

- Congratulate the Junior Gardner's of the Horticultural Society;
- The New Hamburg Fall Fair will be held from September 11 until September 14, 2025 at Norm S. Hill Park, New Hamburg;
- The New Hamburg Fall Fair is continuing to recruit volunteers for the event; and,
- The speed camera in front of Waterloo-Oxford District Secondary School is back in effect and an update regarding the speed camera program will be presented to Waterloo Region Council on September 9, 2025.

Councillor L. Dunstall announced that the Wilmot Optimist and New Hamburg Legion are hosting a breakfast on September 13, 2025 at 8 a.m..

Councillor S. Martin announced that Councillor S. Martin and Councillor L. Dunstall are hosting a drop-in Town Hall meeting on September 17, 2025 from 3:00 p.m. to 9:00 p.m..

14. BUSINESS ARISING FROM CLOSED SESSION

There is no business arising from closed.

15. ADJOURNMENT

Moved by: Councillor L. Dunstall

Seconded by: Councillor S. Cressman

THAT we do now adjourn to meet again at the call of the Chair.

CAUTION: This email originated from outside of the organization. Do not click links or open any attachments unless you recognize the sender and know the content is safe.

Hello, I wanted to bring an issue to the council's attention. Perhaps it could be placed on the agenda for the upcoming meeting?

These photo radar cameras have become an issue in many communities. I am writing because I received a ticket a few weeks ago. Going 53 in a school zone of 40. The ticket was \$88. I paid it immediately as I knew it was me on that day and time. July 7th at 10ish in the morning! On Waterloo Street here in New Hamburg. I do believe this is well outside of school session time. Not even in the right month of the year. I do feel it really wasn't a fair ticket. And I am siding with many others lending their voice to it being a cash grab. Under these circumstances that is. Should they not be disabled during holiday times - especially summer? Maybe even outside of school hours. - like evenings and weekends.

It is very confusing when some zones have a 40 KM limit while others have 30. Makes it all the more difficult to be aware when you are in a school zone if you are going the proper speed. 30 by the way is really too slow. You are barely moving at that speed. I do think there should be discussion concerning these cameras so am drawing the issue to your attention with thanks.

Nancy

MEMORANDUM

TO: Council

PREPARED BY: Morgan Dykstra, Supervisor of Legislative Services / Deputy Clerk
Kaitlin Bos, Manager of Legislative Services / Clerk

DATE: September 19, 2025

RE: Additions to By-law 2025-54 Being a By-law to Regulate Encroachments on the Boulevard

A draft version of By-law 2025-54 Being a By-law to Regulate Encroachments on the Boulevard was presented to the Committee of the Whole.

At the meeting, the Committee recommended:

THAT Council approve the Encroachment By-law to be implemented within the Township of Wilmot to regulate permanent installations within the municipal Right of Way; and, THAT Council consider By-law 2025-54 being a by-law to authorize the Mayor and the Clerk sign the Encroachment By-law.

Following that meeting, the Legislative Services Division completed a final review of the draft by-law. During this review, it was identified that the by-law did not specify the approval authority for entering into encroachment agreements.

The by-law clearly defines permitted and prohibited encroachments within the boulevard, therefore, it is recommended that the Director of Infrastructure Services be delegated authority to execute encroachment agreements on behalf of the Township, provided the proposed encroachment complies with the parameters established by Council as set out in the by-law.

In accordance with the Township's Delegation By-law, 2007-74, any delegation of authority must be authorized through a by-law.

The Delegation By-law states, *"administrative matters may generally be delegated to staff subject to the conditions set out in the delegation and in this policy and must take into account the limitations set out in the Act"*.

With this delegation, the Director of Infrastructure Services will be required to comply with the conditions set out in the Encroachment By-law, and the Delegation By-law.

Accordingly, the version of By-law 2025-54 presented in this agenda has been updated to reflect this delegation of authority, and Item 5.3 has been revised to include "The Director is delegated the authority to execute the encroachment agreement on behalf of the Township".

**THE CORPORATION OF THE TOWNSHIP OF WILMOT
BY-LAW NO. 2007 - 74**

**BEING A BY-LAW TO ESTABLISH A DELEGATION OF POWERS AND DUTIES
POLICY FOR THE CORPORATION OF THE TOWNSHIP OF WILMOT**

WHEREAS Section 11 of the *Municipal Act, 2001*, S.O. 2001, c 25, as amended, authorizes municipalities to pass by-laws regarding Accountability and Transparency of the municipality and its operations;

AND WHEREAS Section 270 (1) 5 of the *Municipal Act 2001*, S.O. 2001, c.25, as amended, authorizes that a municipality shall establish and maintain policies with respect to the delegation of its powers and duties;

NOW THEREFORE THE COUNCIL OF THE CORPORATION OF THE TOWNSHIP OF WILMOT HEREBY ENACTS AS FOLLOWS:

- 1. THAT the Delegation of Powers and Duties Policy, attached hereto as Schedule “A” be accepted as approved.
- 2. THAT Schedule “A” forms part of this by-law.
- 3. THAT this By-law shall come into force and take effect upon receiving the final passing thereof.

READ a first and second time this 10th day of December, 2007.

READ a third time and finally passed this 10th day of December, 2007.

Clerk

TOWNSHIP OF WILMOT

DELEGATION OF POWERS AND DUTIES OF COUNCIL POLICY

Effective Date: December 10, 2007

Subject: Delegation of Powers and Duties of Council

Authority: Approved by Council

PURPOSE:

The *Municipal Act, 2001* (the Act) requires that all municipalities adopt and maintain a policy with respect to the delegation of Council's legislative and administrative authority. The purpose of this policy is to set out the scope of the powers and duties which Council may delegate its legislative and administrative authority and to establish principles governing such delegation. This policy has been developed in accordance with the Act in order to comply with its other applicable sections, including section 270.

APPLICATION:

This policy applies to all committees of Council, departments and staff.

DEFINITIONS:

Legislative Powers

Includes all matters where Council acts in a legislative or quasi-judicial function including enacting by-laws, setting policies, and exercising decision making authority.

Administrative Powers

Includes all matters required for the management of the corporation which do not involve discretionary decision-making.

POLICY STATEMENT:

The Council of the Municipality, as a duly elected municipal government is directly accountable to its constituents for its legislative decision-making, policies, and administrative functions. Council's decisions are generally expressed by by-law or resolution of Council carried by a majority vote. The efficient management of the municipal corporation and the need to respond to issues in a timely fashion require Council to entrust certain powers and duties to committees and staff while concurrently maintaining accountability, which can be effectively accomplished through the delegation of legislative and administrative functions. Council authority will be delegated within the context set out in the Act and will respect the applicable restrictions outlined in the Act.

POLICY REQUIREMENTS:

1. All delegations of Council powers, duties or functions shall be effected by bylaw.
2. Unless a power, duty, or function of Council has been expressly delegated by bylaw, all of the powers, duties and functions of Council remain with Council.
3. A delegation of a power, duty or function under any bylaw to any member of staff includes a delegation to a person who is appointed by the CAO or selected from time to time by the delegate to act in the capacity of the delegate in the delegate's absence.
4. Subject to section 3, a person to whom a power, duty or function has been delegated by bylaw has no authority to further delegate to another person any power, duty or function that has been delegated, unless such sub-delegation is expressly permitted.
5. Legislative matters may be delegated by Council where they are minor in nature or where Council has explicitly provided for the terms and conditions under which the powers shall be exercised, and must take into account the limitations set out in the Act.
6. Administrative Matters may generally be delegated to staff subject to the conditions set out in the delegation and in this policy, and must take into account the limitations set out in the Act.
7. In exercising any delegated power, the delegate shall ensure the following
 - Any expenditure related to the matter shall have been provided for in the current year's budget (or authorized by the purchasing by-law).
 - The scope of the delegated authority shall not be exceeded by the delegate.
 - Where required by the specific delegated authority, reports shall be submitted to Council advising of the exercise of a delegated power and confirming compliance with the delegated authority and this policy.
 - delegates shall ensure the consistent and equitable application of council policies and guidelines

	Corporate Policy Manual
	Section: Community Services Department Affiliation Policy
	Policy # Pg. 1 of 13
Revision Date: August 2025	Issue Date: December 2022
Approved by: Township Council	Review Date: August 2029

PURPOSE

The Township of Wilmot recognizes the importance of community groups who provide recreation, leisure and/or wellness programs and services that benefit Township residents and enhances the overall quality of life within the community. This policy is intended to create a formal relationship between the Township of Wilmot and organizations who are eligible for Affiliation. The Affiliation Policy establishes how, and which groups qualify for Affiliation benefits to access municipal spaces and support from Township staff.

RATIONALE AND NEED

Community organizations are of great benefit to the residents of Wilmot as they provide recreation, leisure and wellness programs and services the Township might not otherwise be able to offer. The goal of the Affiliation Policy is to help support capacity building for Affiliated Organizations in the delivery of high quality, inclusive, and well-organized programs. With this in mind, the Township's goal is to balance the needs of Affiliated Community Organizations with good governance principles of affordability, accountability, accessibility, and transparency. The Affiliation Policy provides a mechanism to support these organizations by potentially providing access to discounted or free space and/or in-kind services, for recreation, leisure and wellness programs.

SCOPE

This Policy applies to Community Groups, Community Service Organizations, Service Clubs and Minor Sporting Associations and enables the Township of Wilmot ("The Township") to recognize and support organizations providing recreation, leisure and/or wellness opportunities requiring the use of public funds, services, or facilities through the Community Services Department. Policy Guidelines vary for different types of organizations with respect to access to facilities, in-kind services and applicable fees and charges, based on the types of programs and services offered by the Organization.

DEFINITIONS

Affiliation Application Process: an application shall be completed bi-annually by existing Affiliated Community Organizations and new organizations wishing to become Affiliated. Applications are reviewed by the Township of Wilmot for approval.

Affiliated Community Organization: is a community organization that works collaboratively with and is formally recognized by the Township of Wilmot in a manner that is consistent with The Township's Affiliation Policy. Affiliated Community Organizations include all categories within this policy such as, Minor Sport Organizations, Wilmot Community Organizations, Community Service Organizations, and Service Clubs. A formal list of Affiliated Community Organizations will be managed and maintained by Township staff based on approved applications.

Community Groups: is an organized group formed for the purpose of providing services, activities, programs, and opportunities that improve or benefit members of the community. These organizations often have recognized governing bodies i.e., Scouts / 4-H Clubs, but may also be locally organized groups i.e., Wilmot Horticultural Society.

Community Service Organization: is a not-for-profit organization such as Wilmot Family Resource Centre and Community Care Concepts, who provide free or low-cost recreation, leisure or wellness programs and services for marginalized or underserved populations.

In-kind Services: a Township of Wilmot service or benefit such as a facility rental discount, administrative service, and/or staff resources.

Minor Sport Associations: a group that delivers league-based recreational sport programming and/or services that directly benefit local youth. Minor Sport programs rely on and are run by local volunteers and operate under a recognized governing body i.e., Skate Canada.

Service Club: is a voluntary not-for-profit organization where members meet regularly to perform charitable works for local residents that aligns with the intent of this Policy. A service club is defined by its mission statement and its membership benefits and often has a recognized governing body i.e., Optimist Clubs.

PRINCIPLES AND GUIDELINES

Corporate Strategic Alignment

Strategic Plan – The Affiliation Policy aligns with three of the Strategic Plan goals:

- 1) **Quality of Life:** The Quality of Life goal and strategy of Accessibility and Inclusivity are intended to ensure all members of the community have fair and equal access to recreation programming and services. This policy also addresses the strategy of Health and Wellbeing by providing recreation and leisure opportunities for all residents.

2) **Community Engagement:** The Community Engagement goal includes strategies for Belonging, Community Events and Support for community Groups, Volunteers and Youth.

3) **Responsible Governance:** The goal of Responsible Governance includes strategies for Active Communications, Fiscal Responsibility, and Infrastructure Investments.

STANDARDS AND PROCEDURES

Policy Goal

The goal of the Affiliation Policy is to help support capacity building for Affiliated Organizations who foster community development and encourage citizen leadership and volunteerism in the delivery of high quality, inclusive, and well-organized recreation, leisure and wellness programs.

Objectives

1. To work in partnership with the community by providing support for the provision of recreation, leisure and wellness opportunities and community services that enhance the quality of life for Township of Wilmot residents.
2. To encourage citizens and community groups to identify recreational, leisure and wellness needs and to provide varied and accessible opportunities to residents to meet those needs.
3. To encourage community groups to become self-sufficient by planning and leading their own events and services as part of the Township's program and service delivery network.
4. To identify the level of support services requested/required from the Community Services Department for community organizations.
5. To foster community leadership and volunteer development and participation in program development and delivery.
6. To encourage groups to provide program opportunities accessible to all residents.

Application Process for Affiliation:

To be approved as an Affiliated Community Organization with the Township, the organization must apply and meet all the required criteria. The application form (attached as Appendix "A") shall be completed and submitted electronically to the Manager of Community Services by the established deadline date. Groups may be required to meet with staff as part of the application process. Upon approval, formal recognition of the organization's Affiliation will be provided in writing by the Township.

This policy does not waive or supersede the applicant's responsibilities to seek and obtain required approvals for all applicable bylaws, acts, regulations, codes, inspections, permits, etc.

Eligibility Criteria for Affiliation:

1. To be eligible for Affiliation, each organization must
 - a. be volunteer based,
 - b. non-profit,
 - c. non-partisan,
 - d. non-denominational,
 - e. based in a geographic community within the borders of The Township or,
 - f. Region of Waterloo organization serving the residents of the Township.
2. Organizations must operate under the authority of a volunteer board or executive committee. Organizations may be required to provide proof of not-for-profit status or charitable registration.
3. Each organization must have its primary objective as the provision of a recreation, leisure and/or wellness services to the residents of The Township. This policy is not intended for organizations whose main purpose is fundraising versus delivery of programs and services.
4. Each organization must be inclusive, open to the public and all residents of The Township.
5. Each organization must provide The Township with a copy of their current constitution/by-laws. Those groups who operate without a Constitution/By-Laws must submit their annual goals and objectives and provide evidence that they are working towards implementation of a Constitution/By-Laws.
6. Organizations must be headquartered in the Township of Wilmot with the majority (70%) of participating members residing in the Township.
7. Organizations must offer the majority of their activities in Wilmot Township.
8. Affiliated Community Organizations must identify their group as either adult and/or youth focused as the department places a greater emphasis on youth activities per the Community Services Master Plan and facility allocation procedures, and to implement applicable Fees and Charges By-law discounts. For the purposes of this Policy, youth are defined as ages 18 and younger. Family based activities will be considered youth for the purposes of this policy. Sport groups applying for the Fees and Charges By-Law discount for sport specific rentals, must provide their main programming primarily for youth, and the discount can only be applied to the youth based activities of the organization (i.e. if the organization has organized activities for adults or adult teams, they do not qualify for the minor sport discount).
9. For sport organizations, the majority of annual facility rentals must be held at The Township facilities.
10. This policy is not intended for elite, amateur or semi-pro sport groups who charge admission for regular season and playoff games i.e., Junior, or Senior teams or Post-Secondary Varsity teams.

Affiliation Renewal Process:

To remain in good standing, all Affiliated Community Organizations must renew their status by completing the Affiliation Application bi-annually. The completed application must be submitted to the Manager of Community Services by January 1st every other year to confirm or update the following information:

- Name and contact information
- Current proof of insurance held by the organization
- Verify that all other affiliation criteria are still being met
- Provide listing of requested bookings.

The group's primary contact will receive an email reminder prior to renewal time. Not renewing Affiliation status will affect discounts and access to facilities, support and services outlined in this policy as well as historical event status.

Application forms for renewal will be reviewed annually by staff to ensure eligibility criteria continue to be met.

The Township acknowledges that Affiliated Community Organizations vary in how they operate, including location and frequency of meetings, types of activities offered, processes for recruiting and supporting volunteers, the level of formality in their structure, policies, and procedures. The Township will consider these differences when determining the level of support required.

Benefits Available to Approved Affiliated Community Organizations

The chart below outlines the benefits available to Affiliated Community Organizations by category.

Service Clubs	Community Groups	Community Services Organizations	Minor Sport Associations
A maximum of three (3) free community events/banquets (with paid or free admission) subject to availability and approval by the applicable Manager or Director or their designate. Regular rates apply for all other rentals. This shall apply to community centre or park use. ****Note:** Historical use of Township facilities where a service is provided that exceeds the Benefits listed above will be grandfathered for a minimum of one calendar year from implementation at which time the policy will be reviewed by staff with input from Affiliated Groups and returned to Council with any proposed changes.

All subsidized use must be for official organization use only. The affiliated group discounts do not apply to individual or team use

Any requests for space over and above the Benefits listed above will be charged at full cost per the Fees and Charges Bylaw as approved by Council.

RESPONSIBILITIES

Obligations and Responsibilities of Affiliated Community Organizations

1. To strictly adhere to the guidelines outlined in this Policy and ensure all members/participants adhere to Township policies and procedures.
2. To provide community-based recreation, leisure and/or wellness programs and services to Township residents in accordance with the objectives of the Community Services Department.
3. To provide a copy of Organizations constitution and by-laws and to advise the Community Services Department of any changes from previous years.
4. To ensure that all promotional materials for activities and programs which include but are not limited to the use of The Township or Wilmot Recreation Complex (WRC) logo are approved by the applicable manager, director or their designate prior to use.
5. To hold regular board and or executive committee meetings and at a minimum hold an annual general meeting.

6. To provide The Township annually or per event, with a copy of a liability insurance certificate held in the organizations name, naming The Township as additional insured at a value established and updated from time to time by The Township.
7. To take full responsibility for their own programs, activities, and participants.
8. To be responsible for all training of their members, volunteers and participants, to ensure safety and liability is managed appropriately.
9. To operate all activities safely and follow all training / procedures provided by The Township.
10. Without limiting the generality of section 10, comply with Community Services policies, standards, and regulations in relation to the facility and equipment use (indoor and outdoor), and to assume all costs related to repairs or replacement to damaged equipment or buildings occurring during the Affiliated Community Organization's use.
11. To ensure that all programs and activities follow municipal by-laws and any other applicable laws or regulations for the protection of participants, executive members, and the public. All groups must follow the Township's Code of Conduct, Facility Rental Rules and Guidelines, Respectful Behaviour Policy and any other policies or guidelines put into place.
12. To continuously abide by this Affiliation Policy and meet all the criteria. Failure to continue to meet the criteria for Affiliation shall result in immediate termination of a Community Organization's Affiliation status. Upon rectification of defaulted terms, groups will have the opportunity to have their Affiliation status reinstated with proof that all conditions are met and at the discretion of the applicable Manager or Director.
13. Set-up and take-down is the responsibility of the Affiliate Community Organization.
14. Each Affiliated Community Organization must book facilities (see Appendix B) through their respective booking agent/ person per their Affiliation Application form. Booking requests must be submitted with Affiliation Applications where possible.

Township of Wilmot Responsibilities

1. To review Affiliation Policy on a regular basis and amend as required.
2. To review applications for Affiliation within sixty (60) days of receipt.
3. To ensure Affiliated Community Organizations meet the eligibility requirements and continue to meet their responsibilities in accordance with this policy.
4. To work with Affiliated Community Organizations to address concerns and assist with resolving challenges that arise where possible and appropriate.

-
5. To refer to and enforce The Township allocation policies and standards which will apply when scheduling regular practices, games, tournaments, rentals etc.
 6. To administer the applicable benefits of Affiliation outlined in this Policy.
 7. Support promotion of Affiliated Organizations through The Township's social media accounts, website, and roadside electronic signs (subject to approval).

TERMINATION OF AFFILIATION STATUS

Status may be rescinded by The Township and future requests for assistance may be denied if the group:

1. Revokes its constitution, by-laws, or operating guidelines; or
2. Acts in contravention of the group's constitution, by-laws, or operating guidelines; or Acts in contravention of the Policy; or
3. No longer meet the requirements for Affiliation i.e., less than 70% Township residents; or
4. Abuses the services and privileges offered to the group as an affiliate of the Township; or
5. The group's activities violate township policies and procedures, municipal by-law or provincial or federal legislation.

Groups may terminate affiliation status at any time. Requests to terminate affiliation must be made in writing to the staff liaison and must be signed by a majority of the group's executive members.

COMMUNICATION

This policy is to be provided to Community Organizations at the time of affiliation inquiry and included as part of the renewal notification process. The policy will also be posted on the Township website.

EVALUATION

The Township Affiliation Policy shall undergo a review after a minimum of one full calendar year from implementation with input from affiliated groups and shall be updated as required with approval by Council.

Rationale: Reviewing this policy regularly permits changes to meet changing community needs, the addition of new facilities, new program demands, as well as any future changes to the Recreation Master plan.

APPENDIX A

TOWNSHIP OF WILMOT AFFILIATION APPLICATION / RENEWAL FORM

Please select one: ☐ Service Club ☐ Community Group

☐ Community Service Organizations

☐ Minor Sport Organization

Name of Organization: (Please type or print)

Mailing Address of Organization:

Street

City

Postal Code

Contact Person for this Application (must have signing authority): _____

Email Address: _____

Phone: _____

APPENDIX B - Facilities Chart

Eligible Community Centre, Recreation Meeting and Program Space

***Note: All spaces subject to availability**

FACILITY	SPACE	AVAILABLE USE	CAPACITY
Haysville Community Centre	Small Hall	Free community event	125
Mannheim Community Centre	Small Hall	Free community event	125
New Dundee Community Centre	Large Hall	Free community event	200
	Small Meeting Room (Jutzi room)	Free monthly meeting	15
New Hamburg Community Centre	Large Hall	Free community event	300
	Small meeting room (NH Meeting rm, CC side)	Free monthly meeting	12
	Small meeting room (Multi-purpose room)	Free monthly meeting	25
	NH. Arena Floor	Discounted rental	*dependent on activity
121 Huron	Large Meeting room (stair access only)	Free monthly meeting	50
St. Agatha Community Centre	Large Hall	Free monthly meeting or community event	400
	Small Meeting room (Seniors room)	Free monthly meeting	50
Wilmot Recreation Complex	Large Hall	Free community event	180
	Half hall * large hall divided*	Free monthly meeting or community event	90
	Large Meeting Room (Wayne Roth room)	Free monthly meeting	50
	Large Meeting room (Program room)	Free monthly meeting	50
	Small Meeting room (Activities room)	Free monthly meeting	15
	Small Meeting room (Wilmot Meeting room)	Free monthly meeting	15
	Ice/ Arena Floor (seasonal)	Discounted rental	*dependent on activity
	Aquatics Pool	Discounted rental	300 lap 100 leisure

- Note: Facilities rented for dryland training are not included for discounted use

INFRASTRUCTURE SERVICES

Staff Report

REPORT NO: IS-2025-39

TO: Council on *Monday September 29 2025*

SUBMITTED BY: Ken VanderWal P.Eng. Acting Director of Infrastructure Services

PREPARED BY: Ken VanderWal P.Eng. Acting Director of Infrastructure Services

REVIEWED BY: Chris Catania, Director of Community Services

DATE: September 19, 2025

SUBJECT: Sidewalk Policy Update

RECOMMENDATION:

THAT Report IS-2025-39 Sidewalk Policy Update be received for information; and,

THAT Council adopt the Sidewalk Policy, as attached to this report.

SUMMARY:

At the September 8th, 2025, Committee of the Whole a proposed Sidewalk Policy was provided. Council requested revisions to the Policy, namely that under repair sidewalks be replaced with the same size sidewalk as presently exists.

The Policy has been updated to reflect these desired changes. The Policy has also been updated to further define a repair as opposed to redevelopment as per the Accessibility for Ontarians with Disabilities Act (AODA).

The revised Policy would see repairs as identified under the O. Reg. 239/02: MINIMUM MAINTENANCE STANDARDS FOR MUNICIPAL HIGHWAYS 16.1 and 16.2. Pursuant to the AODA, any new sidewalk, or sidewalk

Further, pursuant to the AODA Part VII the Policy shall be reviewed by the Grand River Accessibility Advisory Committee whose legislated role is to advise the council about the requirements and implementation of accessibility standards and the preparation of accessibility

reports and such other matters for which the council may seek its advice. The Policy has been provided to GRAAC for comments which will be provided when available.

BACKGROUND:

The Township of Wilmot currently budgets approximately \$50,000 per year for ensuring the Township Sidewalks remain compliant with Ontario Regulation 239/02 Minimum Maintenance Standards for Municipal Highways.

Per the Township's latest Concrete Repair Contract, sidewalk replacement (removal and reinstatement) is estimated at \$175-\$220 per sqm depending on thickness and if the sidewalk is Curb-Face or within the boulevard. AODA Tactile Warning Plates are \$226 ea.

Based on these prices the Township has budget to replace approximately 150m to 250m of sidewalk per year. Each curb repair to add Tactile Plates can be estimated at \$2,500-\$3,000 per drop.

The Township currently maintains 91.49km of sidewalk, of which 84.33km (92.17%) is 1.2m in width or less, and 7.16km is 1.5m or wider (7.83%). Township Staff have not identified the AODA Compliance of Curb Depressions.

REPORT:

The proposed Sidewalk Policy (Policy) seeks to provide guidance for sidewalk installation within the Township of Wilmot while adhering the legislated requirements of the Accessibility for Ontarians with Disabilities Act (AODA).

Further, pursuant to the AODA Part VII the Policy shall be reviewed by the Grand River Accessibility Advisory Committee whose legislated role is to advise the council about the requirements and implementation of accessibility standards and the preparation of accessibility reports and such other matters for which the council may seek its advice. The Policy has been provided to GRAAC for comments which will be provided when available.

As per Ontario regulation 413/12, *Accessibility for Ontarians with Disabilities Act* the requirements apply to new construction and planned redevelopment of existing public spaces. Unplanned changes, such as emergency repairs or regular maintenance, are exempt as such, the Township replacement under Ontario Regulation 239/02 with the same size sidewalk does not contravene the act.

For the purposes of definitions within the Policy, Staff have referenced the AODA to provide the following additional definitions within the Policy.

Redeveloped- planned significant alterations to public spaces, but does not include maintenance activities, environmental mitigation or environmental restoration.

Maintenance- repair or replacement of sidewalk as required under minimum maintenance standards as defined in O.Reg 239/02, or as required for the repair or

replacement of sanitary or storm laterals, water service or utilities within the right-of way where the sanitary, storm, water service is at the same location to serve the same purpose and not providing a significant increase in capacity or service.

Maintenance as defined in the act means activities that are intended to keep existing public spaces and elements in existing public spaces in good working order or to restore the spaces or elements to their original condition, examples of which include painting and minor repairs.

As such, under the revised policy, sidewalks that are required to be reconstructed as part of a Site Plan Application, or infill construction will still be required to be re-developed to AODA standards.

Staff are in the process of updating the Township of Wilmot *Infrastructure Standards and Specifications* with updated standards as per AODA and verbiage pursuant to when the updated requirements apply.

The following are excerpts from the Act that Staff reference in creating the Sidewalk Policy and will also be referenced for updates to Municipal Standards moving forwards.

Part IV.1

Design of Public Spaces Standards (Accessibility Standards for the Built Environment)

Application

80.2 (1) Except as otherwise specified, this Part applies to public spaces that are newly constructed or redeveloped on and after the dates set out in the schedule in section 80.5 and that are covered by this Part. O. Reg. 413/12, s. 6.

(2) Except as otherwise specified, this Part applies to obligated organizations. O. Reg. 413/12, s. 6.

(3) In this Part where in a standard or requirement there is a reference to an obligated organization, it is a reference to the obligated organization that constructs or redevelops any public space to which this Part applies and not to any other obligated organization that may have provided a permit, approval or other authorization or that may have an interest in the land where the thing to which the standard or requirement applies is located. O. Reg. 413/12, s. 6.

Schedule

80.5 Obligated organizations shall meet the requirements set out in this Part in accordance with the following schedule:

1. For the Government of Ontario and the Legislative Assembly, January 1, 2015.

2. For designated public sector organizations, January 1, 2016.
3. For large organizations, January 1, 2017.
4. For small organizations, January 1, 2018. O. Reg. 413/12, s. 6.

Exterior Paths of Travel

Exterior paths of travel, application

80.21 (1) This Part applies to newly constructed and redeveloped exterior paths of travel that are outdoor sidewalks or walkways designed and constructed for pedestrian travel and are intended to serve a functional purpose and not to provide a recreational experience. O. Reg. 413/12, s. 6.

(2) This Part does not apply to paths of travel regulated under Ontario Regulation 350/06 (Building Code) made under the *Building Code Act, 1992*. O. Reg. 413/12, s. 6.

Exterior paths of travel, general obligation

80.22 Obligated organizations, other than small organizations, shall ensure that any exterior paths of travel that they construct or redevelop and intend to maintain meet the requirements set out in this Part. O. Reg. 413/12, s. 6.

Exceptions, general

80.31 Exceptions to the requirements that apply to exterior paths of travel are permitted where obligated organizations, other than small organizations, can demonstrate one or more of the following:

1. The requirements, or some of them, would likely affect the cultural heritage value or interest of a property identified, designated or otherwise protected under the *Ontario Heritage Act* as being of cultural heritage value or interest.
2. The requirements, or some of them, would affect the preservation of places set apart as National Historic Sites of Canada by the Minister of the Environment for Canada under the *Canada National Parks Act* (Canada).
3. The requirements, or some of them, would affect the national historic interest or significance of historic places marked or commemorated under the *Historic Sites and Monuments Act* (Canada).
4. The requirements, or some of them, might damage, directly or indirectly, the cultural heritage or natural heritage on a property included in the United Nations Educational, Scientific and Cultural Organisation's World Heritage List of sites under the *Convention Concerning the Protection of the World Cultural and Natural Heritage*.

5. There is a significant risk that the requirements, or some of them, would adversely affect water, fish, wildlife, plants, invertebrates, species at risk, ecological integrity or natural heritage values, whether the adverse effects are direct or indirect.

6. It is not practicable to comply with the requirements, or some of them, because existing physical or site constraints prohibit modification or addition of elements, spaces or features, such as where increasing the width of the exterior path would narrow the width of the adjacent highway or locating an accessible pedestrian signal pole within 1,500 mm of the curb edge is not feasible because of existing underground utilities. O. Reg. 413/12, s. 6.

ALIGNMENT WITH THE TOWNSHIP OF WILMOT STRATEGIC PLAN:

Healthy Community

Provide core services and build strong community partnerships.

- Establish service level standards and targets for core Township-delivered services and programs.
- Develop and share a “who does what” communication piece describing Township, Region, and Provincial areas of responsibility, including communicating the Township’s service level standards and targets.
- Complete accessibility plan with clear priorities, timelines, and estimated costs.

FINANCIAL CONSIDERATIONS:

The current sidewalk budget is dedicated to replacement under the Minimum Maintenance Standards. Upgrades of sidewalks as part of a redevelopment application would be developer costs. Should the Township wish to expand sidewalk accessibility additional budget funding would be required.

ATTACHMENTS:

Sidewalk Policy

Corporate Policy Manual

Section: Council

Title: Sidewalk Replacement and Infill Policy

Policy Number: GP-IS-2025-001

Approved by: Council

Administered by: Infrastructure Services

Effective: September 30, 2025

POLICY STATEMENT

The Township of Wilmot is committed to improving and maintaining pedestrian infrastructure. The policy guides the installation, replacement and repair of sidewalks and multi-use paths under Township jurisdiction, ensuring alignment with applicable legislation and other master plans.

PURPOSE

This policy was prepared to provide direction on sidewalks and multi-use paths to be installed or repaired on Streets under the jurisdiction of the Township of Wilmot. This policy will establish a consistent approach to new Sidewalk Replacement as identified within our Annual Sidewalk investigations in an effort to bring the Township in line with AODA standards for Sidewalks and accessibility, helping to facilitate active transportation within the Township.

Currently the Township maintains 91.49km of sidewalk, of which 84.33km(92.17%) is 1.2m in width or less, and 7.16km is 1.5m or wider (7.83%).

This policy will help direct decisions when replacing sidewalks as identified in our Annual Sidewalk Replacement under the minimum maintenance standards, or as required through development activities where sidewalk repair or replacement is required.

Per Ontario regulation 413/12, *Accessibility for Ontarians with Disabilities Act, 2005*:

80.22 Obligated organizations, other than small organizations, shall ensure that any exterior paths of travel that they construct or redevelop and intend to maintain meet the requirements set out in this Part.

80.23 When constructing new or redeveloping existing exterior paths of travel that they intend to maintain, obligated organizations, other than small organizations, shall ensure that new and redeveloped exterior paths of travel meet the following requirements:

1. The exterior path must have a minimum clear width of 1,500 mm, but this clear width can be reduced to 1,200 mm to serve as a turning space where the exterior path connects with a curb ramp.

9. The entrance to the exterior path of travel must provide a minimum clear opening of 850 mm, whether the entrance includes a gate, bollard or other entrance design

It is noted that as per the Ministry Guidelines, the requirements apply to new construction and planned redevelopment of existing public spaces. Unplanned changes, such as emergency repairs or regular maintenance, are exempt.

This Policy shall also reference the Driveway Repair Policy where sidewalk replacement may impact existing Driveways

SCOPE

This policy applies to all sidewalks and multi-use paths that are constructed, repaired, or replaced within the public right of way under the jurisdiction of the Township of Wilmot.

DEFINITIONS

AODA Compliant- a product, service or infrastructure that has been planned or designed to provincial standards to remove and prevent barriers for persons with disabilities.

Annual Average Daily Traffic (AADT)- The standard measurement for daily average vehicle traffic on a section of road.

Boundary Road- a municipal road owned by one or more adjoining municipalities.

Cash-in-lieu- a method to collect funds from a developer or builder directed to infrastructure to be built at a later date.

Collector Road- a municipal road intended to carry low to medium traffic volumes while also providing property access.

Cul-de-sac- a municipal road with one point of vehicular access.

Local Road- a municipal road intended to carry low traffic volumes, primarily for the local neighborhood whose primary function is to provide access to individual properties.

Maintenance- repair or replacement of sidewalk as required under minimum maintenance standards as defined in O.Reg 239/02, or as required for the repair or replacement of sanitary or storm laterals, water service or utilities within the right-of way where the sanitary, storm, water service is at the same location to serve the same purpose and not providing a significant increase in capacity or service.

Multi-use-path (MUP)- a wide, paved, off-road pathway that is separated from motor vehicle traffic and is intended for cyclists, pedestrians and other non-motorized means of active transportation.

Redeveloped- planned significant alterations to public spaces, but does not include maintenance activities, environmental mitigation or environmental restoration.

Sidewalk- a raised concrete path for pedestrian travel generally located within the municipal boulevard including curbs/ramps and mid-block crossing locations.

Trails Master Plan- a strategic planning document that identifies policies, programs and desired active transportation infrastructure for the Township of Wilmot.

STANDARDS AND PROCEDURES

1. Areas with high pedestrian usage as well as significant vehicle usage shall be prioritized for new sidewalks within the Township.
2. As part of this Policy the Township will develop 5-year capital plan identifying priorities for widened sidewalk or new sidewalk.
 - a. New sidewalk shall not be considered on roads or projects as identified within the Township's 10-year capital plan to be occurring within the next 5 years.
3. Where new infill lot or development application is received whereby significant portions of the existing Sidewalk are expected to be damaged or are to be replaced the development applicant shall be required to construct new sidewalk to current AODA standards.
4. Sidewalk shall be required on both sides of residential roads unless it can be demonstrated that the traffic and pedestrian warrants are sufficiently low to permit sidewalk on one side for example:
 - i. cul-de-sacs
 - ii. Local roads where projected or measured Annual Average Daily Traffic volume (AADT) are less than 500, and speeds are less than 60kmph with predominantly single family or semi-detached homes.
5. Sidewalk or Multi-use-Path shall be required to connect to community uses with high pedestrian potential such as:
 - i. Parks,
 - ii. Schools
 - iii. Recreation Centres
 - iv. Library
6. Where sidewalk does not exist for a new development or lot infill the Township may either:
 - i. Require the construction of sidewalk along the frontage of the property if the property can be readily and safely connected to existing pedestrian infrastructure.
 - ii. Require cash in lieu to be placed within a capital account to be used for the provision of new active transportation infrastructure. Cost shall be determined based on the most recent contract for sidewalk maintenance and replacement received by the Township.
7. For rural communities and Hamlets, sidewalk needs shall be determined through the Trails Master-Plan, or a sidewalk needs assessment.
8. Repair or replacement of sidewalk panels shall be replaced with the same width sidewalk as existing in keeping with the guidance from the Ministry of Ontario. ~~unless:~~

RESPONSIBILITIES

1. Council:

- 1.1. Approve the Sidewalk Replacement and Infill Policy and recommended amendments thereto.

1.2. Approve the annual Sidewalk budget through the budget process.

2. Director of Infrastructure Services

2.1. Support the installation and upgrade of sidewalk throughout the Township of Wilmot

2.2. Review with staff priorities for infill sidewalk.

2.3. Report to Council on AODA compliance of sidewalk on an annual basis.

3. Staff

3.1. Complete annual Sidewalk Inspections for repair pursuant to Ontario Regulation 239/02

3.2. Create a plan for sidewalk repairs and replacement based on required maintenance.

3.3. Receive and review requests for new sidewalk within the Township

3.4. Provide review and feedback on Development Applications where works are expected to require or impact sidewalks.

COMMUNICATION

The Sidewalk Policy will be posted with other policies within the Corporate Policy Manual, and on the Township website for reference, and distributed to relevant stakeholders.

EVALUATION

The Sidewalk Policy will be reviewed at minimum every four years, in addition, infrastructure for repair or replacement is conducted on continuous basis as informed by the annual sidewalk investigation program, capital planning, and development processes.

LEGISLATIVE REPORTING REQUIREMENTS

Sidewalk inspection and repair are legislated under Ontario Regulation 239/02 under the Municipal Act Minimum Maintenance Standards for Municipal Highways.

Inspections and repairs are required to be documented and retained. There is no reporting requirement.

THE CORPORATION OF THE TOWNSHIP OF WILMOT

BY-LAW NO. 2025-54

BEING A BY-LAW TO REGULATE ENCROACHMENTS ON BOULEVARDS

WHEREAS the Municipal Act, 2001, S.O. 2001, c.25 (hereinafter the “Municipal Act, 2001”) provides that a municipality may pass by-laws within the following spheres of jurisdiction: Highways, including parking and traffic on highways at section 11(1)1; Culture, parks, recreation and heritage at section 11(1)5 and structures, including fences and signs at section 11(1)7;

AND WHEREAS section 8 of the Municipal Act, 2001 provides that a municipality has the capacity, rights, powers and privileges of a natural person for the purpose of exercising its authority under the Municipal Act;

AND WHEREAS section 9(1) of the Municipal Act, 2001 provides that sections 8 and 11 shall be interpreted broadly so as to confer broad authority on municipalities to (a) enable them to govern their affairs as they consider appropriate, and (b) enhance their ability to respond to municipal issues.

AND WHEREAS section 391(c) of the Municipal Act, 2001 provides that a municipality may pass by-laws imposing fees or charges on any class of persons for the use of its property including property under its control;

AND WHEREAS section 427(1) of the Municipal Act, 2001 provides that a municipality may proceed to do things a person’s expense which that person is otherwise required to under by-law or otherwise has failed to do;

AND WHEREAS section 427(3) of the Municipal Act, 2001 provides that the costs incurred by a municipality in doing a thing or matter under section 427(1) may be recovered by adding the costs to the tax roll and collecting them in the same manner as taxes;

NOW THEREFORE THE MUNICIPAL COUNCIL OF THE CORPORATION OF THE TOWNSHIP OF WILMOT ENACTS AS FOLLLOWS:

Short Title

This By-law shall be known and may be cited as the “Encroachment By-law”.

1. Definitions

1.1. In this By-law:

“*Adjacent boulevard*” means the *boulevard* immediately adjacent to the front, side, rear or exterior side of a property;

“Adjacent sidewalk” means the *sidewalk* immediately adjacent to the front, side, rear or exterior side of a property;

“*Boulevard*” means the portion of a *highway* which may be paved, unpaved, grassed or landscaped with other materials, and is situated between the *curb* or edge of the *roadway* and the adjacent property line on both sides of a *highway*;

“*Boulevard garden*” means plants, flowers, hedges, shrubs or vegetation, or combination thereof, that is planted in an *adjacent boulevard*, but does not include noxious weeds or invasive plant species;

“*Curb*” means the lateral boundary of the *roadway*, whether such lateral boundary is physically marked or not;

“*Director*” means the Director of Infrastructure Services for the Township of Wilmot or any successor position, or his or her designate;

“*Encroachment*” means any type of *soft landscaping*, tree edging, vegetation, natural or man made object or item of *personal property* not belonging to the *Township* which exists wholly upon, or extends from *private property* onto the *boulevard*, and can be aerial, surface or subsurface;

- “aerial encroachment” means an encroachment that is located at least .304 meters (12 inches) above the surface of public lands;
- “surface encroachment” means an encroachment that is located anywhere between the following: the surface of public lands to height less than .304 meters (12 inches) and beneath the surface of public lands to a depth of not more than 2.54 centimetres (1 inch);
- “sub-surface encroachment” means an encroachment that is located beneath the surface of public lands to a depth exceeding 2.54 centimetres (1 inch);

“*Encroachment agreement*” means an agreement between an *owner* and the *Township* that may be required as part of an *encroachment permit*;

“*Encroachment permit*” means a document issued by the *Township* granting a *person* permission to erect, plant, place or continue an *encroachment*;

“*Highway*” means a common and public *roadway*, avenue, parkway, *boulevards*, driveway, square, place, bridge, cul-de-sac, viaduct or trestle, any part of which is intended for or used by the public for passage of vehicles or pedestrians, and includes the area between the lateral property lines thereof;

“*Minor Encroachment*” means any *encroachment* onto the *boulevard* that the *Township* has determined may be allowed without the need for an *encroachment permit* and includes *soft landscaping* and tree edging;

“*Municipal boundary*” means the geographic boundary encompassing the Township of Wilmot;

“*Officer*” means an individual that is an employee of the *Township* who has been appointed pursuant to a *Township* By-law as a Municipal By-law Enforcement Officer and shall include the Director, Chief Building Official and Municipal Law Enforcement Services;

“*Owner*” means a *person* holding registered title to *private property*;

“*Person*” means an individual, corporation, association, firm, sole-proprietorship, partnership, trust, organization and includes the directors and officers of a corporation, a corporation created under the *Condominium Act, 1998*, s.o. 1998, c. 19, as amended, and the trustees, agents, heirs, executors or other legal representatives of a person to whom the context can apply according to law;

“*Personal property*” means any object or item of property other than real property, and including any fixture to real property, that is owned by the a *person*.

“*Private property*” means a parcel of real property, as it is described in the records of the land registry office and which is within the *municipal boundary* of the *Township*, that is owned by a *person*, including all buildings and structures thereon, and does not include *public land*;

“*Public land*” means any land owned by the *Township*, made available to the *Township* by lease, agreement or otherwise, or under the management of the *Township*;

“*Receptacle*” means any container, bin, cart or bag used to contain water material;

“*Region*” means the Regional Municipality of Waterloo;

“*Roadway*” means part of a *highway* used or intended to be used for vehicular travel by the general public;

“*Sidewalk*” means an improved portion of a *highway* between the *roadway* and the adjacent property line intended for the use of pedestrians and includes a multi-use trail or path;

“*Shoulder*” means the area adjacent to the *roadway* where there is no *curb*, but does not include a *sidewalk*, and may have an asphalt or granular surface;

“*Soft landscaping*” means a *boulevard garden*, grass or wood chips;

“*Township*” means The Corporation of the Township of Wilmot

“*Utility*” means any utility infrastructure including, but limited to, streetlight poles and conduit, natural gas lines and associated appurtenances, bell boxes and conduit, Rogers

or cable TV boxes and Hydro power boxes and conduit;

2. Application

- 2.1. This By-law does not apply to the following:
 - 2.1.1. Signs erected on behalf of the *Township* or any other sign as authorized by the By-law 2002-68, as amended, or its successor by-law;
 - 2.1.2. Receptacles or waster items set out in the *boulevard* for collection services in compliance with the standards as set out in the *Region's* Waste Collection By-law 17-007, or its successor by-law;
 - 2.1.3. Rural and Canada Post community mailboxes erected on the *boulevard* and maintained in compliance with the requirements of the Mail Receptacles Regulations under the *Canada Post Corporation Act*;
 - 2.1.4. an *encroachment* permitted as a result of a written agreement with the *Township*, other than an *encroachment permit*;
 - 2.1.5. roadside memorials in accordance with the following:
 - 2.1.6. *utility* infrastructure

3. Encroachments Prohibited

- 3.1. No *person* shall erect, plant, place or continue, or cause to be erected, planted, placed or continued an *encroachment* on *public land*.
- 3.2. Notwithstanding Section 3.1, an *owner* may, without further approval from the *Township*, erect, plant, place or continue a *minor encroachment* on an *adjacent boulevard* directly abutting their *private property* in accordance with Part 4 of this By-law.
- 3.3. Fences and/or wall for the delineation of property or privacy shall be in accordance with the Township Fence By-law 2009-36. Further, no fence wall shall be placed within the municipal right of way. Property lines shall be established prior to installation of any fence or wall and delineation of such shall be the responsibility of the property owner. Further, should work be required within the Municipal Right of Way for the installation of the proposed fence, a Road Occupancy Permit shall be obtained as per by-law 2022-046.

4. Minor Encroachments

Soft Landscaping

- 4.1. Every *owner* shall be permitted to plant a *boulevard garden* in accordance with the following:
 - 4.1.1. Shall not be planted in, or overhand a *shoulder, sidewalk or roadway*.
 - 4.1.2. Shall be maintained so as to not exceed seventy-six (76) centimetres (approximately thirty (30) inches) in height;
 - 4.1.3. Shall be at grade with any *adjacent sidewalk*; and
 - 4.1.4. Shall not be planted within thirty (30) centimetres (approximately twelve (12) inches) of a *sidewalk* or *curb*.
- 4.2. Every *owner* shall be permitted to place sod, seed or otherwise grow grass on an *adjacent boulevard* in accordance with the following:

- 4.2.1. Shall not be grown on the *shoulder* or *sidewalk*; and,
- 4.2.2. Shall not exceed twenty (20) centimetres (approximately eight (8) inches) in height.
- 4.3. Every *owner* shall be permitted to place wood chips around the base of a boulevard tree and the wood chips shall not exceed ten (10) centimetres (approximately four (4) inches in height).

Tree Rings

- 4.4. Every *owner* shall be permitted to erect tree rings around the base of a *boulevard* tree in accordance with the following:
 - 4.4.1. Shall not exceed fifteen (15) centimetres (approximately six (6) inches) in height;
 - 4.4.2. Shall have a minimum radius of sixty (60) centimetres (approximately twenty-four (24) inches) from the base of the tree;
 - 4.4.3. Shall have a minimum setback of thirty (30) centimetres (approximately twelve (12) inches) from a *sidewalk*;
 - 4.4.4. Shall be kept in good repair; and,
 - 4.4.5. Shall be modular and not rely on a fixed foundation for its support.

General Prohibitions

- 4.5. No *owner* shall erect, plant, place or continue, or cause to be erected, planted, placed or continued a *minor encroachment*:
 - 4.5.1. That is a sharp or dangerous in any way, or which may cause damage or injury to a *person* or thing;
 - 4.5.2. that obstructs the visibility of motorists or pedestrians, traffic sightlines or which obstructs or detracts from the visibility or effectiveness of any traffic sign or control device;
 - 4.5.3. that extends onto the *boulevard* fronting any neighbouring property when the common lot line is projected perpendicular to the *roadway*;
 - 4.5.4. that inhibits or obstructs *Township* operations including but not limited to snow ploughing, maintenance of *Township* trees or the repair and maintenance of *Township* infrastructure;
 - 4.5.5. that inhibits or obstructs access to fire hydrants, post office boxes, or any installations belonging to the *Township*, *Region*, or *utility* provider; or
 - 4.5.6. in a ditch, swale or any other *Township* infrastructure which is designed or exists for the purpose of storing or carrying storm water.

Removal

- 4.6. The *Director* may at any time remove any *minor* encroachment located on a *boulevard* without compensation, restoration or replacement.

5. Enforcement Permit

- 5.1. Any *encroachment* on the *boulevard* that is not in accordance with Part 2 shall only be permitted by way of an *encroachment permit*.
- 5.2. Every application for an *encroachment permit* shall be made to the *Director*

prior to commencement of the *encroachment* and shall include:

- 5.2.1. A complete application form on the form provided by the *Director*,
 - 5.2.2. Plans, surveys, and other information as required by the *Director*,
 - 5.2.3. Location and description of the proposed *encroachment*,
 - 5.2.4. Payment of application fee in the amount as described in the applicable *Township* fees and charges by-law,
 - 5.2.5. Cost estimate reasonably estimating the costs of performing the portion of the proposed *encroachment* which lies entirely on or under the *boulevard*.
 - 5.2.6. If applicable, a security deposit for the proposed *encroachment* in the amount and form as required by the *Director*,
 - 5.2.7. An indemnity agreement in the form provided by the *Director* signed by the applicant or, where the applicant is a contractor of an *owner*, signed by the *owner*, whereby the signatory agrees to indemnify and save harmless The Corporation of the Township of Wilmot from any claims, demands, causes of action, loss, costs or damages that the *Township* may suffer, incur or be liable for resulting from action or works on or under the *boulevard*, whether with or without negligence on the part of the signatory, its vendors, suppliers, subcontractors or their respective directors, officers, agents, employees, partners, affiliates, volunteers or independent contractors in the course of performance of the signatory's obligations under, or otherwise in connection with, the application;
 - 5.2.8. Proof of comprehensive general liability insurance in an amount not less than \$5,000,000 naming the Corporation of the Township as an additional insured in a form satisfactory to the *Director*, and,
 - 5.2.9. Such further and other information as the *Director* may require.
- 5.3. The *Director* may require an *encroachment agreement* to be executed between the *owner* and the *Township* before an *encroachment permit* can be issued, the *Director* is delegated authority to execute the *encroachment agreement* on behalf of the *Township*.
 - 5.4. Where the *Director* deems it appropriate, and *encroachment agreement* may be registered against title to the owner's property with the land registry officer and all expenses in doing so shall be paid in advance by the *owner* applying for the *encroachment permit*.
 - 5.5. The *Director*, after receipt of all application materials required under Section 5.2 and execution of an *encroachment agreement* under Section 5.3, if applicable, may issue an *encroachment permit* with such conditions as the *Director* considers appropriate.
 - 5.6. In addition to any other conditions imposed by the *Director* under Section 5.5, the following conditions shall apply to an *encroachment permit* issued:
 - 5.6.1. Prior to commencement of the *encroachment*, the permit holder shall obtain such *utility* location stakeouts, clearance letters and written

consent as may be necessary to ensure that *utilities* are not damaged by the permit holder in the course of performing the *encroachment*;

5.6.2. The permit holder and individuals performing the *encroachment* on the permit holder's behalf shall perform the *encroachment* in accordance with:

5.6.2.1. Applicable statutes, regulations, and by-laws including Provincial traffic regulations; and,

5.6.2.2. Applicable *Township* standards including those standards for the restoration of the municipal services and restoration of the *boulevard* to the satisfaction of the *Township*. Further should work be required within the Township Right of Way a Road Occupancy Permit shall be obtained as per By-law 2022-046.

5.7. The *Director* shall review an application for an *encroachment permit* and upon the discretion of the *Director* may object to the erection, planting, placing or continuing of an *encroachment* on the *boulevard* on the basis that:

5.7.1. The *encroachment* interferes with the Township's intent and purpose in holding the *boulevard*;

5.7.2. The *encroachment* creates an unsafe condition;

5.7.3. The *encroachment* creates a situation that is contrary to any *Township's* by-law, policy or resolution, or any Provincial or Federal regulation or legislation;

5.7.4. The *encroachment* interferes with work, plans, efforts or initiatives of the *Township* to maintain the *boulevard*; or,

5.7.5. The *encroachment* interferes with any *utility* or similar installation located on the *boulevard*.

5.8. Where there are objections from any *Director* to the erection, planting, placing or continuing of an *encroachment* on the *boulevard* on any basis set out in Section 5.7, the application shall be denied and the applicant shall be notified in writing that the application has been denied and the reason thereof, and the applicant may be provided a refund, if applicable, in accordance with the *Township's* Fees By-law.

Permit Holder Requirements

5.9. Where an application for an *encroachment permit* has been approved and the permit holder has been notified in writing that the *encroachment permit* is ready for execution, the permit holder shall have thirty (30) days to execute same and pay an applicable fees.

5.10. Where a permit holder fails to execute an *encroachment permit* or pay the applicable fees within thirty (30) days as prescribed in Section 5.9, the permit holder shall be deemed to have abandoned the application and forfeited any fees paid.

5.11. An *encroachment permit* is issued under this By-law is non-transferable.

5.12. The issuance of an *encroachment permit* under this By-law shall not relieve the

permit holder from compliance with any other applicable law.

- 5.13. Every *person* who holds an *encroachment permit* shall comply with conditions of the permit.

No Vested Rights

- 5.14. Nothing in this By-law, including the issuance of an *encroachment permit* or execution of an *encroachment agreement*, creates a vested right to any *boulevard* in the *owner* or in the occupant of the *private property* to which an *encroachment* is appurtenant, or in any other *person*, and any *encroachment* may be revoked in accordance with the provisions of this By-law or the conditions of an *encroachment permit* issued or *encroachment agreement* executed under this By-law. There shall be no adverse possession of the *boulevard* on which the encroachment is located.

Revocation and Suspension of Permit

- 5.15. The *Director* may revoke or suspend, without prior notice to the permit holder or any other *person*, the *encroachment permit* issued pursuant to this By-law without a refund of any fee paid.
- 5.16. The *Director* may impose conditions as a requirement of reinstating the *encroachment permit* suspended under Section 5.15
- 5.17. Where the permit holder fails to perform the actions or works proposed in the permit application, including restoration works, to the standards required by the *Director* and it becomes necessary, in the opinion of the *Director* acting reasonably, to repair or restore that portion of the *boulevard* or municipal services affected by the actions or works of the permit holder, the *Director* will use the security deposit to engage contractors or may direct *Township* staff to perform the actions or works.
- 5.18. The *Director* may invoice the *owner* for the *Township's* costs to complete the actions or works in Section 5.17 and will credit the amount of the security deposit against such invoices.
- 5.19. Where the expense incurred or the amount of the invoice in Section 5.18 exceeds the amount of the security deposit and the invoice remains unpaid after demand for payment has been made, the expense incurred or unpaid amount of the invoice may be added to the tax roll and collected in the same manner as property taxes.
- 5.20. The *Director* shall hold the security deposit until the *Township* is satisfied that the *boulevard* is left in a proper state of repair and that the actions and works are performed to the standards required by the *Director*. The *Township* will not pay interest on any monies held as the security deposit.

Discontinuance of Permit

- 5.21. If the *owner* intends to permanently discontinue an *encroachment*, the *owner* shall notify the *Director* in writing and shall thereafter remove the *encroachment* and restore the *boulevard* to its former condition at the *owner's* expense.
- 5.22. If the *Director* determines that a breach of the terms and conditions of an

encroachment permit has occurred, or that the term of said *encroachment permit* has expired, and that the encroachment should be discontinued, and *Officer* may issue an order requiring the *owner* to remove the *encroachment* and restore the *boulevard* to its former condition at the *owner's* expense.

6. Owner's Responsibility

- 6.1. The *owner* is solely responsible for all claims related to an *encroachment*. This includes but is not limited to, property damage, bodily injury, work, enhancements or property on the *Township's* right of way.
- 6.2. The *Township* is not liable for any damages, losses or injuries caused by or to an *encroachment*.
- 6.3. For further clarity, the *Township* is not liable for any damages caused to an *encroachment* as result of the *Township's* operations including, but not limited to, snow ploughing, tree maintenance or the repair and maintenance of *Township* infrastructure.

7. Enforcement

- 7.1. This By-law shall be enforced by *Officers*.

Powers of Entry and Inspection

- 7.2. The *Director*, *Officers*, and any agent on behalf of the *Township* may at any reasonable time enter upon any land for the purpose of carrying out an inspection to determine whether the following are being complied with:
 - 7.2.1. In this By-law;
 - 7.2.2. Any director or order pursuant to this By-law;
 - 7.2.3. Any condition of an *encroachment permit* issued under this By-law; or
 - 7.2.4. An order issued pursuant to Section 431 of the *Municipal Act, 2001*.
- 7.3. No *person* shall hinder or obstruct, or attempt to hinder or obstruct, the *Director*, any *Officer*, or any agent on behalf of the *Township* who is exercising any power or authority, or performing a duty as permitted pursuant to this By-law.

Orders

- 7.4. Where an *Officer* is satisfied that a contravention of this By-law has occurred, the *Officer* may make an order requiring the *person* who cause or permitted such contravention to discontinue the contravening activity.
- 7.5. Where an *Officer* is satisfied that a contravention of this By-law has occurred, the *Officer* may make an order requiring the *person* who cause or permitted such contravention to do work to correct the contravention.
- 7.6. An order may be delivered:
 - 7.6.1. Personally, with service deemed effective on the date the order is given;
 - 7.6.2. By providing it to any suspected adult individual on the land where the contravention occurred or at the last known address of any *person* named in the order, with service deemed effective on the date the order is given;
 - 7.6.3. By registered mail to the address where the contravention occurred or the last known address of any *person* named in the order, with service

deemed effective on the 5th day after mailing;

- 7.6.4. By posting the order in a conspicuous location on the land where the contravention occurred or at the last known address of any *person* named in the order, with service deemed effective on the day after posting; or,
- 7.6.5. By e-mail transmission only if the order is also delivered by registered mail and such e-mail transmission may be delivered to the last known e-mail address of any *person* named in the order, with service deemed effective on the 5th day after transmission.
- 7.7. An *Officer* may enter upon any land for the purpose of delivering an order pursuant to Section 7.6.
- 7.8. Every *person* to whom an order is issued shall comply with the order.
- 7.9. Any order issued pursuant to this By-law may be rescinded by the Director, Building and Municipal Law Enforcement Services at any time.
- 7.10. An *Officer* may extend the time for compliance with an order made pursuant to this By-law.
- 7.11. No order issued under this By-law shall be appealed to any board, tribunal or similar body.

Remedial Action

- 7.12. Wherever an order, issued pursuant to this By-law, directs or requires any matter or thing to be done by any *person* within a specified time period, in default of it being done by the specified time period, the Director, Building and Municipal Law Enforcement Services or an *Officer* may initiate remedial action and the *Township* may recover, from any *person* directed or required to do the matter or thing, the costs incurred through legal action or by adding to the costs to the tax roll and collecting them in the same manner as property taxes.
- 7.13. For the purposes of taking remedial action under section 7.12, the *Township*, its staff and its agents may enter, at any reasonable time, upon any lands on which a default occurred to carry out a required matter or thing.

8. Offences

- 8.1. Every *person* who contravenes any provision of this By-law is guilty of an offence.
- 8.2. Every *person* who is charged with an offence under this By-law by the filing of a certificate of offence under Part I of the *Provincial Offences Act*, R.S.O. 1990, c. P33, as amended, upon conviction is liable to a fine as provided for by the aforesaid Act.
- 8.3. Every *person* who is charged with an offence under this By-law by the laying of an information under Part III of the *Provincial Offences Act*, R.S.O. 1990, c. P. 33, as amended, upon conviction is liable to a fine as follows:
 - 8.3.1. To a minimum fine of \$500 and to a maximum fine of \$100,000;
 - 8.3.2. For each day or part of a day that the offence continues, to a minimum fine of \$500 and a maximum fine of \$10,000, and the total of all daily

fines for the offence is not limited to \$100,000; and,

8.3.3. In the case of multiple offences, for each offence included in the multiple offence, to a minimum fine of \$500 and a maximum fine of \$10,000, and the total of all fines for each included offence is not limited to \$100,000.

8.4. The court in which the conviction has been entered, and any court of competent jurisdiction, thereafter, may make an order prohibiting the continuation or repetition of the offence by the *person* convicted and such order shall be in addition to any other penalty upon the *person* convicted.

9. **Severability**

9.1. Each and every one of the foregoing provisions of the by-law is severable, and if any provisions of the by-law is severable and if any provisions of this by-law should, for any reason, be declared invalid by any court, it is the intention and desire of this Council that each and every one of the remaining provisions shall remain in full force and effect.

READ a first and second time in Open Council this 29th day of September, 2025.
READ a third time and finally passed in Open Council this 29th day of September, 2025.

Mayor

Clerk

THE CORPORATION OF THE TOWNSHIP OF WILMOT

BY-LAW NO. 2025-55

BEING A BY-LAW to regulate discharges to the Sewage Works and Drainage Works of the Township of Wilmot, and to provide for the protection of these systems and the Natural Environment.

WHEREAS Subsection 5(3) of the Municipal Act, 2001, S.O. 2001, c.25, as amended, provides that a municipal power shall be exercised by by-law;

AND WHEREAS subsection 8(1) of the Municipal Act, 2001, S.O. 2001, c.25 provides that the powers of a municipality shall be interpreted broadly so as to confer broad authority on the municipality to enable the municipality to govern its affairs as it considers appropriate and to enhance the municipality’s ability to respond to municipal issues;

AND WHEREAS section 11(3) of the Municipal Act, 2001, S.O. 2001 c. 25, authorizes a municipality to pass by-laws respecting matters concerning public utilities;

AND WHEREAS subsection 446 of the Act provides that where a municipality has the authority by by-law or otherwise to direct that a matter or thing be done, the municipality may also provide that, in default of it being done by the Person directed to do it, the matter or thing shall be done at the Person’s expense and the municipality may recover the expense occurred by action or by adding the cost to the tax roll;

AND WHEREAS the Municipal Council of the Corporation of the Township of Wilmot deems it necessary and desirable to regulate discharges to the Sewage Works and Drainage Works and to provide for the protection of the Natural Environment and the Sewer systems within the Township of Wilmot;

NOW THEREFORE THE COUNCIL OF THE CORPORATION OF THE TOWNSHIP OF WILMOT ENACTS AS FOLLOWS:

1. SHORT TITLE

This by-law shall be known, and may be cited, as the "Sewer Use By-Law."

2. DEFINITIONS

The following terminology is used throughout the By-law:

Definitions in the Township of Wilmot Property Standards By-law 2008-54, as amended, shall be used with respect to matters pertaining to maintenance of properties, buildings and structures which are undefined in this By-law.

Definitions in the *Building Code Act*, 1992, S.O. 1992, c.23 (the “*Building Code Act*”) and *O. Reg. 332/12* under the *Building Code Act* (the “Ontario Building Code”) shall be used with respect to matters pertaining to building construction which are undefined in this By-law.

“**Accredited Laboratory**” means any laboratory accredited by an authorized accreditation body in accordance with a standard based on “CAN-P-1585: *Requirements for the Accreditation of Environmental Testing Laboratories*” established by the Standards Council of Canada, as amended, or “ISO/IEC/EN 17025: *General Requirements for Competence of Calibration and Testing Laboratories*” established by the International Organization for Standardization, as amended.

“Appurtenance” means the apparatus or equipment that is an accessory to the Sewage Works or to the Drainage Works.

“Blank” or **“Blanked”** means the temporary or permanent decommissioning of a pipe by means of plugging, capping, or other method approved by the Township.

“Building Code” means the Building Code pursuant to the *Building Code Act*, 1992, S.O. 1992, c. 23, as amended, or any successor legislation thereto;

“Carbonaceous Biochemical Oxygen Demand (CBOD)” is a measure of the quantity of oxygen used for the decomposition of organic matter under standard laboratory procedures in five days in the presence of a nitrification inhibitor, expressed in mg/L.

“Catch Basin” means a receptacle installed to collect surface water from an open area, for drainage into the Storm Sewer system, and to trap solids by means of a sump within the Catch Basin.

“Chemical Oxygen Demand (COD)” is the measure of the capacity of water to consume oxygen as a result of oxidation of inorganic chemicals and decomposition of organic Matter.

“Chief Building Official (CBO)” means a Person and such inspectors as appointed by the Township necessary for the enforcement of the *Building Code Act* and the regulations thereunder and any other statutes referred to in this By-law, and all Persons authorized at the direction of the Chief Building Official for the purposes of exercising the power and duties of the Chief Building Official under this By-law.

“Clean Water Act, 2006” means the *Clean Water Act, 2006*, S.O. 2006, c. 22, as amended, or any successor thereof.

“Commercial” means any premise that operates a business activity which may distribute goods or provide services, but generally does not involve the manufacturing, processing, or production of goods from which there is a discharge of Matter directly or indirectly into a Sanitary Sewer or Storm Sewer of the Township.

“Composite Sample” means a sample which is composed of a series of Grab Samples taken at intervals during the sampling period.

“Council” means the municipal council of The Corporation of the Township of Wilmot.

“Drainage System” means a natural or constructed means of intercepting, collecting, and removing Stormwater or Groundwater, usually by gravity flow.

“Drainage Works” means any and all Storm Sewers, buildings, structures, equipment, Appurtenances, devices, conduits, underground pipelines, laterals, ditches, Watercourses, and Municipal Drains and Outlets created under the *Drainage Act*, R.S.O. 1990, c. D. 17, as amended, and related installations and other works of the Township designed for the collection and transmission of Stormwater or Groundwater, and includes lands over which an easement or consent has been granted or lands appropriated for such purposes and use.

“DGSSMS” means Region of Waterloo and Area Municipalities Design Guidelines and Supplemental Specifications for Municipal Services

“Environmental Protection Act” means the *Environmental Protection Act*, R.S.O. 1990, c. E. 19, as amended, or any successor thereof.

“Fuel” means alcohol, gasoline, naphtha, diesel fuel, fuel oil or any other ignitable substance intended for use as a fuel.

“Foundation Drain” means drainage piping installed below the surface of the ground to collect and convey water away from a building foundation (see Figure 1).

“Grab Sample” means an aliquot of the flow being sampled taken at one particular time and place.

“Groundwater” means water beneath the earth’s surface accumulating as a result of seepage.

“Hauled Sewage” means waste removed from any Sewage system, including a cesspool, septic tank system, privy vault or privy pit, chemical toilet, portable toilet, or Sewage holding tank.

“Industrial” means of or pertaining to manufacturing, commerce, trade, business, or institutions as distinguished from domestic or residential.

“Industry” means any Industrial, Commercial, or Institutional premises from which there is a discharge of any Matter directly or indirectly into a Sanitary Sewer or Storm Sewer of the Township.

“Institutional” means of or relating to a facility, usually owned by a government, operated for public purposes, such as schools, universities, medical facilities (hospitals, nursing stations, nursing homes), museums, prisons, government offices, military bases, some of which facilities produce non-residential discharges to Sanitary Sewers from laboratories, chemical use, or industrial processes, for example.

“Interceptor” means a receptacle installed to collect and prevent oil, grease, petroleum products, grit, sand, and/or other materials from passing into the Sanitary Sewer system or Storm Sewer system.

“Leak” means to enter or escape through an opening usually by fault or mistake, particularly involving inflow, infiltration, and exfiltration as they pertain to Sewer Systems.

“Manager” is the Manager of Public Works, or the Manager of Engineering Infrastructure Services Or their designate.

“Matter” includes any solid, liquid or gas.

“Ministry of Environment, Conservation and Parks” (MECP) means the Ontario government ministry responsible for protecting and improving the quality of the Natural Environment in Ontario, or as renamed under subsequent governments.

“Monitoring Access Point” means an access point, such as a chamber, in a Private Sanitary Lateral to the Sanitary Sewer system or Private Storm Lateral to the Storm Sewer system, to allow for observation, sampling and flow measurement of the Wastewater, Stormwater, Subsurface Water, or Uncontaminated Water therein.

“Multi-Residential” means a property, including, but not limited to, an apartment, row house, townhouse complex or condominium property, which contains six or more Dwelling Units.

“Municipal Sanitary Lateral” means the pipes and Appurtenances of the Sewage Works located within the right-of-way and situated between the Sanitary Sewer and the property line (see Figure 1).

“Municipal Storm Lateral” means the pipes and Appurtenances of the Drainage Works located within the right-of-way and situated between the Storm Sewer and the property line (see Figure 1).

“Natural Environment” means the land and water, or any combination thereof, of the Township.

“Non-contact Cooling Water” means water which is used to reduce temperature for the purpose of cooling, and which does not come into direct contact with any raw material, intermediate or finished product other than heat.

“Officer” means a Municipal Law Enforcement Officer appointed by the Township for the purposes of enforcing the provisions of this By-law.

“Ontario Regulation 347” means Revised Regulations of Ontario, 1990, Regulation 347 (General – Waste Management), or any successor regulation thereof, made under the *Environmental Protection Act*.

“Ontario Water Resources Act” means the *Ontario Water Resources Act*, R.S.O. 1990, c. 0.40, as amended, or any successor thereof.

“Outlet” means a location at which Stormwater is discharged into a Stormwater Management system, Watercourse, or Surface Water Feature.

“Owner” means the registered owner of the lands and premises or the Person in lawful control of the premises who operates any facility or activity which is subject to the provisions of this By-law.

“PCB” means any monochlorinated or polychlorinated biphenyl, or any mixture of them, or any mixture that contains one or more of them.

“Person” will be broadly interpreted and includes a natural person, a corporation, a partnership, a sole proprietorship, a trust, a joint venture, an association, or any other organization or entity of any kind and their respective heirs, executors, administrators, successors, assigns or other legal representatives of a person to whom the context can apply according to law.

“Pesticide” means a pesticide regulated under the *Pesticides Act*, R.S.O. 1990, c. P.11, as amended.

“pH” means the logarithm to the base 10 of the reciprocal of the concentration of hydrogen ions in moles per litre of solution.

“Phenolic Compounds” means those derivatives of aromatic hydrocarbons which have a hydroxyl group directly attached to the ring as determined by Standard Methods.

“Private Drain” means a ditch, swale, channel, Watercourse, and/or pipe or system of pipes that collects and carries Stormwater or Groundwater which is within the limits of private property and privately-owned.

“Private Drainage System” means a privately-owned network of ditches, swales, collection pipes, maintenance holes, Interceptors, Catch Basins, and Appurtenances, to collect Stormwater or Groundwater, discharging to the Drainage Works or other approved Outlet, usually by gravity flow.

“Private Sanitary Lateral” means the pipes used to convey Sewage from a private property to the property line and a Municipal Sanitary Lateral and the Sewage Works (see Figure 1).

“Private Sewage Collection System” means a privately-owned network of Sewage collection pipes, maintenance holes, Interceptors, private Sewage lift stations, holding tanks, pump systems, and Appurtenances, servicing two or more buildings, discharging to the Sewage Works.

“Private Sewage Disposal System” means a Sewage system or a Sewage Works as defined in the Ontario Building Code, that is not owned and operated by the Crown, a municipality, or an organization acceptable to the Director responsible for issuing an environmental compliance approval required under section 53 of the Ontario Water Resources Act.

“Private Storm Lateral” means the pipes to convey drainage from a private property to the property line and a Municipal Storm Lateral and the Drainage Works (see Figure 1).

“Rainwater Harvesting System” means technology used to collect and store rainwater and snow melt, typically from building roofs, for on-site uses such as irrigation and flushing toilets.

“Region” means the Regional Municipality of Waterloo.

“Regional Works” includes any Sanitary Sewer, sewage works, storm sewer, wastewater treatment plant, pumping station, and any incidental valves, access chambers and other works, that is owned or under the jurisdiction of the Region of Waterloo;

“Sanitary Sewer” means a Sewer for the collection and transmission of Sewage or Wastewater.

“Service Connection” means the part or those parts of any pipe or system of pipes leading directly to the municipal Sanitary Sewer or Storm Sewer (see Figure 1).

“Severely Toxic Contaminant” means any substance listed in Schedule 3 of Ontario Regulation 347.

“Sewage” means any liquid waste containing organic, inorganic, animal, vegetable, or mineral Matter in solution or in suspension but does not include Stormwater or Uncontaminated water.

“Sewage Works” means any works for the collection, transmission, treatment or disposal of Sewage or Wastewater, or any part of such works, but does not include plumbing to which the Ontario Building Code applies.

“Sewer” means a pipe, conduit, drain, open channel or ditch for the collection and transmission of Sewage, Stormwater, or Uncontaminated Water, or any combination thereof.

“Solvent Extractable Matter” means grease and oil as determined by Standard Methods.

“Spill” when used with reference to a pollutant, means a direct or indirect discharge into the Sewage Works, Drainage Works, or the Natural Environment from or out of a structure, vehicle, or other container that is abnormal in quantity or quality in light of all the circumstances of the discharge.

“Standard Methods” means the procedure set out in *Standard Methods for the Examination of Water and Wastewater* published jointly by the American Public Health Association, Water Environment Federation, and American Water Works Association, latest addition, or the Ministry of Environment, Conservation and Parks publication *Protocol for the Sampling and Analysis of*

Industrial/Municipal Wastewater, 2016, as may be amended, modified, supplemented or replaced from time to time.

“Storm Sewer” means a Sewer for the collection and transmission of Uncontaminated Water, Stormwater, drainage from land or from a Watercourse or any combination thereof.

“Stormwater” means the water running off the surface of a drainage area during and immediately after a period of rain or snow melt, including water from roofs, sump pumps or Foundation Drains.

“Stormwater Management” means drainage control practices and constructed works implemented to protect property, natural or constructed Watercourses, and Surface Water Features from Stormwater impacts.

“Subsurface Water” means Groundwater including Foundation Drain water.

“Surface Water Feature” means water-related features, including headwaters, rivers, stream channels, inland lakes and ponds, seepage areas, recharge/discharge areas, springs, wetlands and associated riparian lands that can be defined by their soil moisture, soil type, vegetation, and topographic characteristics.

“Total Kjeldahl Nitrogen” (TKN) means organic nitrogen as determined by Standard Methods.

“Total Suspended Solids” (TSS) means insoluble Matter in liquid that is removable by filtration, as determined by the appropriate procedure described in Standard Methods.

“Uncontaminated Water” means water to which no Matter has been added as a consequence of its use, or to modify its use, by any Person or by any means, with a level of quality which is comparable to potable water normally supplied by the Township.

“Wastewater” means a composite of water and water-carried wastes from residential, Commercial, Industrial or Institutional premises or any other source, including swimming pools, hot tubs, spas, or wading pools.

“Wastewater Sludge” means solid material recovered from the Wastewater treatment process.

“Watercourse” means an open channel, ditch, or depression, either natural or artificial, in which flow of water occurs either continuously or intermittently.

Figure 1 illustrates some key terminology related to property drainage used in this By-law.

Figure 1: Property Drainage Terminology

3. SCOPE

The following terminology is used throughout the By-law:

This By-law applies to the construction, management, use, operation, maintenance, repair, and rehabilitation of the Sewage Works and Drainage Works under the jurisdiction of the Corporation of the Township of Wilmot.

Sanitary Sewer service areas and Storm Sewer service areas covered under this By-law are as identified in the Township's Official Plan and supporting infrastructure studies and area specific servicing plans, as approved by Council through By-law adoption from time to time.

The Township shall manage and maintain the Sewage Works and the Drainage Works in accordance with the provisions of this By-law and the provisions of the Municipal Act, 2001, S.O. 2001, the Ontario Water Resources Act, R.S.O. 1990, c. O.40, the Environmental Protection Act, R.S.O. 1990, c. E. 19, the Drainage Act, R.S.O. 1990, c. D.17, the Fisheries Act, R.S.C., 1985, c. F-14, the Clean Water Act, 2006, S.O. 2006, c.22, the Building Code Act, 1992, S.O. 1992, c.23, and regulations, standards, and guidelines established under these Acts, as may be amended from time to time, and any other applicable law or regulations.

The use of the Sewer Works and Sewage discharge characteristics shall conform to the restrictions of the Regional Municipality of Waterloo Sewer Use By-law 21-036, as amended from time to time. If any conflict arises between this By-law and the Regional By-law, the more restrictive clauses shall apply.

4. ADMINISTRATION

4.1. Administrative Responsibilities

The administration and enforcement of this By-law shall be under the jurisdiction of the Manager. The Manager shall appoint Municipal By Law Enforcement Officers or other designates, as required, for the purpose of administering and enforcement of this By-law.

The Manager may delegate any action he or she is authorized under this By-law.

The Township shall establish and periodically update standards, guidelines, and specifications governing the design, construction, operation, maintenance, repair and rehabilitation of the Sewage Works and Drainage Works.

4.2. Responsibilities of the Owner

The entire cost of providing, installing, operating, maintaining, repairing, replacing, or relocating any Private Sanitary Lateral or Private Sewage Collection System and any Private Storm Lateral or Private Drainage System or private Stormwater Management system, and Appurtenances connected, shall be the responsibility of, and paid for by, the Owner.

Every Owner shall maintain their Private Sanitary Lateral, Private Sewage Collection System, Private Storm Lateral, Private Drainage System, or private Stormwater Management systems, including Appurtenances connected thereto, in good working order and condition in accordance with its designated purpose and to the satisfaction of the Township.

Every Owner shall ensure that all maintenance holes, Interceptors, Catch Basins, devices, or Appurtenances on private property required under this By-law are maintained as per design.

Every Owner of a Private Sewage Collection System shall:

- a) properly operate their facilities;
- b) promptly resolve any maintenance needs; and
- c) regularly inspect the system to ensure it complies with this By-law.

Once a Service Connection has been installed and put into service, no Person shall alter, modify, or disconnect the Service Connection from a Sanitary Sewer or Storm Sewer without the prior written approval of the Township.

Every Owner shall, at all reasonable times and upon reasonable notice provided by the Township, allow and provide access to buildings or premises to any Person duly authorized by the Township for the purposes of inspecting, maintaining, repairing, disconnecting, or reinstalling a Service Connection or for taking corrective action, and/or carrying out work required by this By-law.

Every Owner shall be responsible for fees in relation to applications and other requirements of this By-law as set out in the Township's Water and Wastewater Fees and Charges By-law, as periodically amended.

Only an Owner may request the disconnection of a Service Connection. Such request shall be made in writing in a form as specified by the Township.

Every Owner shall indemnify and hold harmless the Township for any loss or damage to the Township or to any Person, that may occur in, or as a result of, work carried out or actions by the Owner or an agent of the Owner as required under this By-law.

4.3. Reports Required

Every Owner of a Private Sewage Collection System shall, upon request, submit to the Township:

- a) a maintenance, operations, and inspection program for their facilities in a format as approved by the Township; and
- b) any system facility performance details in a format as approved by the Township.

4.4. Design and Construction

Before approval of the construction of, or modifications to, a Drainage System, or before approval of a Service Connection from a Drainage System, or in anticipation of possible adverse consequences from potential future flooding of the subject or surrounding lands, or potential adverse Stormwater quality, the Township may require the Owner, to complete one or more of the following:

- a) a study on Stormwater quality and/or quantity;
- b) modification and/or construction of Stormwater facilities;
- c) adoption and implementation of pollution prevention techniques and measures;
- d) adoption of a Stormwater Management plan; and/or
- e) any other requirement as specified by the Township or Council.

No Person shall discharge Sewage to the Sewage Works or Stormwater to the Drainage Works except at Service Connection locations and in a manner specified by the Township, as may be altered from time to time.

Every Owner shall ensure that all new Sewage Works and Drainage Works, or modifications to existing ones, are constructed with adherence to the Region of Waterloo and Area Municipal Design Guidelines and Supplemental Specifications for Municipal Services, and the Township of Wilmot Infrastructure Standards and Specifications as amended from time to time.

5. SANITARY SEWER REQUIREMENTS

5.1. Service Connections

Where a municipal sewer is readily available, connection to the Municipal System shall be mandatory. The Township shall not permit Septic systems where an existing sanitary sewer is available for discharge within 100m of the proposed development and the service can be practically made without requiring private easements or crossing natural hazards.

All Service Connections to the Sewage Works and all replacements to, relocations of, disconnections, or removals from the Sewage Works require prior approval through written application and the issuance of a permit by the Township.

An Owner shall pay all applicable fees and charges for the supply, installation, replacement, relocation, or disconnection of Service Connections as prescribed by in the Fees and Charges By-Law.

Where a Service Connection is made to the Sewage Works in compliance with this By-law, any septic tanks, cesspools and similar Private Sewage Disposal Systems shall be cleaned and filled, or removed or decommissioned, within 30 calendar days after the completion of the Service Connection, to the satisfaction of the Chief Building Official.

Where specific health hazards or environmental concerns have been identified, an Owner shall connect all sanitary facilities within an existing building to the Sewage Works, in accordance with the Ontario Building Code, Part 7, within 60 calendar days of receipt of a registered notice to make such Service Connection from the Township and/or from the Medical Officer of Health, to the satisfaction of the Chief Building Official and the Township.

No Owner shall construct a Service Connection through neighbouring private lands without obtaining written authorization from those property owners and a private easement over the said properties.

No Person shall construct or attempt to construct all or any part of a Service Connection prior to:

- a) completing and submitting to the Township a Service Connection application;
- b) receiving approval in writing from the Township to construct such Service Connection;
- c) paying in full any fees or charges related to the administration of this By-law; and

Service Connections believed to be defective shall be reported to the Township.

Where the Township has Blanked a Service Connection, the Service Connection shall not be reinstated until the Township or Chief Building Official has been satisfied that any non-compliance with discharge requirements or any defect in such Service Connection has been properly rectified in accordance with Township standards and the requirements established under this By-law.

Every Owner shall maintain a Private Sanitary Lateral and repair or replace it as required to ensure that it does not Leak or cause damage to other property or Township infrastructure.

5.2. Sanitary Lateral

Where a building has been demolished and the property Owner proposes to utilize the existing Private Sanitary Lateral to serve a new building, the Owner must first obtain the written approval from the CBO or Manager of Engineering to do so.

The construction may require a new Private Sanitary Lateral unless it can be demonstrated that:

- a) The existing lateral conforms with DGSSMS B3.3 and C.3.1.5
- b) The existing lateral is free from sags and defects.

A recent (<5yrs) CCTV of the sewer lateral shall be provided for the Township for Review and acceptance or Township Staff shall be permitted to CCTV the lateral. The lateral(s) shall be either:

- c) Accepted for use in their current condition.
- d) Require relining or rehabilitation.
- e) Require replacement full replacement.

All costs associated with rehabilitation or replacement of the sewer laterals shall be in accordance with section 4.2.

Every Owner shall maintain a Private Sanitary Lateral and repair or replace it as required to ensure that it does not Leak or cause damage to other property or City infrastructure.

5.3. Service Disconnections

Every Owner requiring the discontinuation of a Service Connection for the purpose of demolition, or for other reasons, shall excavate, cap/plug, backfill, and reinstate the excavation so that the Service Connection may be properly Blanked and inspected by the Township.

No Person shall reconnect or reinstate a disconnected or Blanked Service Connection without reapplication for the Service Connection in accordance with the standards of the Township and payment of the applicable fees.

5.4. Discharges to Sanitary Sewer

No Person shall discharge or deposit or cause or permit the discharge or deposit of any of the following Matter into or in any Sanitary Sewer or municipal or private Service Connection to any Sanitary Sewer:

- a) Matter of any type or at any temperature or in any quantity which may be, or may become, a health or safety hazard to a Township employee, or which may be, or may become, harmful to the Sewage Works, or which may cause a Sewage Works effluent to contravene any requirement by or under the *Ontario Water Resources Act* or the *Environmental Protection Act*;
- b) Matter which may cause the sludge or compost from the Sewage Works to fail to meet the criteria relating to contaminants for utilizing the sludge or compost for beneficial use under Ontario Guidelines for Sewage Sludge Utilization on Agricultural Lands (March 1996), or any successor thereto;
- c) Matter which may interfere with the proper operation of the Sewage Works, or which may impair or interfere with any Sewage treatment process, or which is or may result in a hazard to any Person, animal, property or vegetation;
- d) Solid or viscous Matter in such quantity or size as to be capable of causing obstruction to the flow in a Sanitary Sewer
- e) Sewage that may cause an offensive odour to emanate from the Sewage Works;
- f) Stormwater, water from drainage of roofs or land, water from a Watercourse or Uncontaminated Water;
- g) Water that has originated from a source separate from the water distribution system of the Township;
- h) Sewage which consists of two or more separate liquid layers;
- i) Sewage containing dyes or colouring materials that cause, or may cause discolor to the Sewage Works or effluent;
- j) Fuel
- k) Pesticides
- l) Severely Toxic Contaminant
- m) Biomedical Wastes
- n) Hauled Sewage; or
- o) Radioactive Wastes

Subject to subsection (2) of this section, no person shall discharge or deposit, or cause or permit the discharge or deposit, of effluent containing any of the following Matter in excess of the concentrations or limits indicated in the Region of Waterloo By-Law Number 21-036 as provided in Schedule 2 to be updated periodically.

The prohibition in subsection 5.3.1 of this section shall not apply to the discharge or deposit of CBOD, TSS, P and TKN if:

- a) the discharge or deposit is less than 0.5% on average and no more than 1% at any time of the loading coming into the receiving wastewater treatment plant;
- b) the discharge or deposit of effluent has no negative impact on either the receiving Sanitary Sewer or Regional Works.

5.5. Disconnection of Stormwater from Sanitary Sewer

Every Owner of a building or premises which has a Private Drain, Private Drainage System, Private Storm Lateral, downspouts, Foundation Drains and/or sump pumps connected to the Sanitary Sewer system shall, at their own expense, disconnect such items from the Sanitary Sewer system.

6. STORM SEWER REQUIREMENTS

6.1. Service Connections

All Service Connections to the Drainage Works and all replacements to, relocations of, disconnections or removals from the Drainage Works require prior approval through written application and the issuance of a permit by the Township.

No Person shall construct or attempt to construct all or any part of a Service Connection to the Drainage Works prior to:

- a) completing and submitting to the Township a Service Connection application;
- b) receiving approval in writing from the Township to construct such Service Connection; and;
- c) paying in full to the Treasurer of the Township any fees or charges in relation to the administration of this By-law.

An Owner shall pay all applicable fees and charges for the supply, installation, replacement, relocation, or disconnection of drainage Service Connections as prescribed by Council.

In order to be granted a permit to connect to a Storm Sewer of the Drainage Works, a building, premises or facility must be within a Storm Sewer service area (as defined by the Official Plan of the Township, as amended) and, at the discretion of the Township, must have frontage or flankage abutting a Storm Sewer of the Drainage Works.

6.2. Storm Laterals

Where a building has been demolished and the property Owner proposes to utilize the existing Private Storm Lateral to serve a new building, the Owner must first obtain the written approval from the CBO or Manager of Engineering to do so.

The construction may require a new Private Storm Lateral unless it can be demonstrated that:

- a) The existing lateral conforms with DGSSMS B4.5 C3.1.7
- b) The existing lateral is free from sags and defects.

A recent (<5yrs) CCTV of the sewer lateral shall be provided for the Township for Review and acceptance or Township Staff shall be permitted to CCTV the lateral. The lateral(s) shall be either:

- c) Accepted for use in their current condition.
- d) Require relining or rehabilitation.
- e) Require full replacement.

All costs associated with rehabilitation or replacement of the sewer laterals shall be in accordance with section 4.2.

Every Owner shall maintain a Private Storm Lateral and repair or replace it as required to ensure that it does not Leak or cause damage to other property or City infrastructure.

6.3. Discharges to Storm Sewer

Permitted discharges to a Storm Sewer include Stormwater, Uncontaminated Water, Dechlorinated municipal water or Non-contact Cooling Water following an thermal impact assessment.

No Person shall discharge or deposit or cause or permit the discharge or deposit into the Drainage Works any Matter which may:

- a) interfere with the proper operation of a Storm Sewer;
- b) obstruct a Storm Sewer or the flow therein;
- c) result in a hazard to any Person, animal, property or vegetation;
- d) impair the quality of the water in any well, lake, river, pond, spring, stream, reservoir or other water or Surface Water Feature; or

- e) result in the contravention of an approval, requirement, direction or other order under the Ontario Water Resources Act, Environmental Protection Act, Fisheries Act, or Clean Water Act, 2006 with respect to the Storm Sewer or its discharge.

6.4. Private Drain Requirements

No Person shall alter, fill, obstruct, block or in any way interfere with a Private Drain, including allowing a Private Drain to fall into disrepair such that the flow of Stormwater, Groundwater, surface, or Subsurface Water from or to another private land is interfered with to the extent that the Owners of such other private land suffer damages or are inconvenienced.

Every Owner of land shall keep in a state of good repair any Private Drain on land owned or occupied by them, thus shall alter, relay, or repair any Private Drain as may be required for compliance with this By-law.

The Township may send to, or serve on, the Owner of any land a notice requiring the Owner to maintain, repair, alter, relocate, or relay any Private Drain, within a specified number of calendar days, as may be required by the Township pursuant to section 5.3 of this by-law.

If any Person causes or permits the alteration, fill, obstruction or blocking of, or interference with any Private Drain, the Township may by written notice to, or served on, such Person, require such Person to remedy or remove the alteration, fill, obstruction, blocking or interference forthwith.

7. INTERCEPTORS

Every Owner of a restaurant or other Institutional or Commercial building or establishment where food is cooked, processed or prepared that discharges directly or indirectly to a Sanitary Sewer shall install and maintain an Interceptor in accordance with the most current requirements of the Building Code to prevent any food oils or greases from entering the Sanitary Sewer.

Every Owner of a motor vehicle service station, mechanical repair shop or any other establishment where motor vehicles are repaired, lubricated, or maintained that discharges directly or indirectly to a Sanitary Sewer shall install and maintain an Interceptor in accordance with the most current requirements of the Building Code to prevent any mechanical oils or greases from entering the Sanitary Sewer.

Every Owner of an establishment where sand, grit or similar material is used in a Commercial or Industrial process that directly or indirectly discharges to a Sanitary Sewer shall install and maintain an Interceptor in accordance with the most current requirements of the Building Code to prevent any sand, grit or similar material from entering the Sanitary Sewer.

8. WASTEFOOD GRINDERS

No Person shall install or operate any food waste grinding devices, the effluent from which discharges directly or indirectly into a Sanitary Sewer or Storm Sewer.

9. PROHIBITION OF DILUTION

No Person shall discharge or permit the discharge, directly or indirectly, of Wastewater into the Sewage Works or Drainage Works where water has been added to the discharge for the purposes of dilution to achieve compliance with this By-law.

10. NONCONTACT COOLING WATER

No Person shall discharge Non-contact Cooling Water or Uncontaminated Water to a Sanitary Sewer from any residential property.

The discharge of Non-contact Cooling Water or Uncontaminated Water to a Sanitary Sewer from Industrial, Commercial, or Institutional properties is permissible where:

- a) in the case of a proposed building, no Storm Sewer exists adjacent to the building and no opportunity exists to discharge to yard drainage; or
- b) in the case of an existing building, no Storm Sewer Service Connection exists to the building.

- c) An approved flow monitor has been added to the effluent line for the monitoring and measuring of flows to the sanitary sewer network.

11. WATER ORIGINATING FROM SOURCE OTHER THAN MUNICIPAL WATER SUPPLY

Except for Wastewater originating from a Township-approved Rainwater Harvesting System, no Person shall discharge water originating from a source other than the Township water supply, including Stormwater or Groundwater, directly or indirectly to a Sanitary Sewer, unless:

the discharge is in accordance with a Discharge Agreement;

the discharge does not exceed the limits set out under Schedule 'B'; and

in the event the discharge does exceed the limits set out under Schedule 'B', the discharge is in accordance with an Overstrength Surcharge Agreement or Overstrength Surcharge Compliance Agreement.

All construction sites within the Township must comply with the Construction Specifications for Control of Water from Dewatering Operations, OPSS.MUNI 518, 2017, as amended.

Every Owner of a construction site, where such discharges may directly or indirectly enter a Storm Sewer, land drainage, into the Natural Environment or highway from the construction site, shall install, operate, and properly maintain controls to prevent such a discharge or deposit.

Any Stormwater or Groundwater collected within any excavation, or in any completed or partially completed basement, shall be drained by pumping if gravity drainage is not possible, subject to the conditions of a Discharge Agreement. If pumping to a naturalized Drainage Works (such as a ditch), erosion control measures shall be implemented at the point of discharge, subject to MECP approval.

12. SAMPLING AND ANALYTICAL REQUIREMENTS

The Township may collect samples to determine the characteristics or contents of any Sewage, Uncontaminated Water or Stormwater. The sample may:

- a) be a Grab Sample or a Composite Sample;
- b) be collected manually or by using an automatic sampling device; and/or
- c) contain additives for its preservation.

All tests, measurements, analyses and examinations of Wastewater, its characteristics or contents pursuant to this By-law shall be carried out in accordance with Standard Methods and be performed by an Accredited Laboratory.

13. DISCHARGE SELF-MONITORING AND SAMPLING

The Township may require that a discharger monitor or sample any discharge to the Sewage Works or the Drainage Works and provide the results to the Township in the form specified by the Township.

The monitoring or sampling requirements shall be completed at the expense of the discharger.

14. MONITORING ACCESS POINTS

Every Owner of a Commercial, Institutional, or Industrial premises, or Private Sewage Collection System with one or more Service Connections to the Sewage Works, shall install and maintain in good repair in each Private Sanitary Lateral **a suitable Monitoring Access** Point to allow observation, sampling, and flow measurement of the Wastewater therein.

Where installation of a Monitoring Access Point is not possible, an alternative device or facility may be substituted with the prior written approval of the Township.

The Monitoring Access Point, or alternative device such as a sampling port, shall be located on the property of the premises, as close to the property line as possible, unless the Township has given prior written approval for a different location.

Each Monitoring Access Point, alternative device, or facility installed shall be designed and constructed in accordance with good engineering practice and the requirements of the Township and shall be constructed and maintained by the Owner of the premises at the Owner's expense.

Every Owner of a premises with a Monitoring Access Point shall ensure that the Monitoring Access Point, alternative device, or facility is always accessible for the purposes of observing, sampling, and obtaining flow measurement of the Wastewater therein.

15. SERVICING NEW DEVELOPMENT

All new developments shall ensure the connection to the municipal system is bulk-headed until permission is granted by the Chief Building Official or the manager of Engineering for the removal of the bulk-head.

All new Site Plan and Subdivisions shall provide flow monitoring following construction to demonstrate the Sanitary Sewers meet inflow and infiltration objectives as outlined in the Townships Infrastructure Standards and Specifications.

For Site Plan developments per section 14 an approved Flow Monitoring Device shall be installed within the Monitoring Access Point. Flows shall be monitored for a period of 3 months using approved flow monitors with all data provided to the Township upon certification of the works.

For Subdivisions, the developer shall be required to provide a flow monitoring plan during the design of the development. The monitoring plan shall include SCADA flow monitoring wherever sanitary flows connect to the municipal system. Upon assumption of the subdivision the flow monitoring devices shall become property of the Township of Wilmot for continued monitoring of the township sanitary sewer network.

Flow monitoring must be from March 1 – May 31 (preferred), OR September 1 – November 30 (secondary) or until specified events are captured;

If the results do not meet Township guidelines, the Developer shall remediate the system to the satisfaction of the Manager.

16. PREVENTION OF LEAKS

No Owner shall permit any leak to occur from a Private Sanitary Lateral, Private Sewage Collection System, Sewage holding tank, septic tank, or any other private Sewage treatment system and shall take corrective action to repair any leak.

If Township staff, through their operational activities, suspect a Sanitary Sewer Lateral is defective, the Owner shall be required to perform a closed-circuit television (CCTV) inspection to identify any defects or sources of inflow and infiltration subject to the following:

The inspection shall meet Lateral Assessment and Certification Program (LACP) standards and be undertaken by a qualified contractor and provided to the Township;

The Manager will determine whether the Sewer Lateral is in good condition and free of structural defects;

Laterals found to be defective will be repaired or replaced as appropriate as per this By-law, at the Owner's expense.

Every Owner of a Private Sewage Collection System shall:

- properly operate their facilities;
- promptly resolve any maintenance needs; and
- regularly inspect the system to ensure it complies with this By-law.

17. DOWNSPOUTS

Every Owner shall extend all roof water drainage downspouts so that Stormwater flow exits the downspout to a splash pad to prevent erosion, a minimum distance of 0.6 m from the exterior walls of a building, though a 1.5 m distance is recommended.

No person shall direct a roof water downspout to grade in such a manner which causes damage from accumulation of Stormwater or any other adverse effect to an adjacent property.

The Owner of any building which has a roof water downspout discharging Stormwater into the Sanitary Sewer Lateral shall disconnect the downspout from the underground portion at grade and cap the underground portion to prevent the ingress of Stormwater.

The Owner of any building which has a roof water downspout discharging Stormwater into the Storm Sewer Lateral shall disconnect the downspout from the underground portion at grade.

No person shall direct or connect a roof water downspout to a Foundation Drain.

18. FOUNDATION DRAINS/SUMP PUMPS

No person shall discharge a Foundation Drain or other piping system which collects Stormwater or groundwater to a Sanitary Sewer.

Existing connections of Foundation Drains shall be removed from the Sewage Works.

The Foundation Drain flow from a property shall be discharged in the following manner:

Via a sump pump to a Storm Sewer by means of a Stormwater Building Drain; or

Via a sump pump to the ground surface, provided that the discharge does not create continually wet ground conditions and/or does not create any adverse effect upon adjacent properties or municipal sidewalks or roads; or

Via a sump pump to a dry well system, provided that appropriate soil and groundwater testing is completed to establish the suitability of using a dry well system.

Where a sump pump is required by the engineering design, it shall be installed within the property's basement in accordance with the Building Code and be maintained by the Owner of the property at their expense.

19. SEWAGE BACKFLOW PREVENTION

If in the opinion of the Manager or Chief Building Official, an existing Building is likely to experience, or has experienced, Sewage backup due to a storm event, the Township may require the installation of an approved Backflow Prevention Device.

Backflow Prevention Devices shall be of a design approved by the Township and installed as prescribed by the Ontario Building Code, Part 7.

Backflow Prevention Devices shall be installed and readily accessible for inspection and maintenance.

Backflow Prevention Devices shall be maintained in good working order and protected from freezing by the Owner, at their expense.

20. SWIMMING POOLS, HOT TUBS, SPAS OR WADING POOLS

A Person is permitted to discharge Wastewater from a swimming pool, hot tub/spa, wading pool, or cover either:

by way of a controlled discharge to the Owner's property such that the discharge is contained on the Owner's property until it evaporates or infiltrates into the ground; or

by way of a temporary or permanent connection to the Private Sanitary Lateral on the Owner's property where the volume to be discharged and flow-rate has been provided to the Township

All water discharged from a swimming pool, hot tub/spa, wading pool, or cover entering onto Township property shall be free of all chemical additives used for routine pool maintenance.

21. SPILLS

Any Person who discharges or causes or permits the direct or indirect discharge of any substance to the Sewage Works, Drainage Works, or to the Natural Environment from or out of a structure, vehicle or other container which is abnormal in quantity or quality in light of all the circumstances of the discharge shall immediately notify:

- the Ministry of Environment Spills Action Center at 1 866 663 8477;
- 911 emergency, if there is an immediate danger to human health or safety;
- the Township; and
- any Person whom the Person reporting knows or ought to know may be directly affected by the discharge.

The Person responsible for a Spill, or the Person having the charge, management, and control of the Spill, shall provide a detailed report on the Spill to the Township within five (5) working days after the Spill, containing the following information to the best of their knowledge:

- location where Spill occurred;
- name and telephone number of the Person who reported the Spill and the location and time where they can be contacted;

- date and time of Spill;
- material spilled;
- characteristics and composition of material spilled;
- volume of material spilled;
- duration of Spill event;
- work completed and any work still in progress in the mitigation of the Spill;
- preventive actions being taken to ensure a similar Spill does not occur again; and
- copies of applicable Spill prevention and Spill response plans.

21.1. Every Person responsible for a Spill and every Person having the charge, management and control of the Spill shall do everything reasonably possible to contain the Spill, protect the health and safety of citizens, minimize damage to property, protect the Natural Environment, clean up the Spill and contaminated residue, and restore the affected area to its condition prior to the Spill.

Nothing in this By-law relieves any Person from complying with any notification or reporting provisions of:

- other government agencies, including federal and provincial agencies; or
- any other by-law of the Township.

The Township may invoice the Person responsible for the Spill for all reasonable costs and expenses incurred with respect to time, materials and services arising as a result of the Spill.

22. DISCONNECTION OF SEWER

Where Wastewater which:

is hazardous or creates an immediate danger to any Person;
endangers or interferes with the operation of the Sewage Works or Drainage Works; or
causes, or is capable of causing, an adverse effect;

is discharged to a Sanitary Sewer or Storm Sewer, the Township may, in addition to any other remedy available, disconnect, plug or seal off the discharge of unacceptable Wastewater into the Sanitary Sewer or Storm Sewer or take such other action as is necessary to prevent such Wastewater from entering the system.

Wastewater may be prevented from being discharged into the Sewage Works or Drainage Works until evidence satisfactory to the Officer has been produced to assure that no further discharge of hazardous Wastewater will occur.

Where the Officer takes action pursuant to subsection 1 of this section, they may, by notice in writing, advise the Owner of the premises from which the Wastewater was being discharged of the cost of taking such action and the Owner shall forthwith reimburse the Township for all such costs which were incurred.

23. PROTECTION OF THE SEWAGE WORKS AND DRAINAGE WORKS

No Person, except an employee of, or agent of, or contractor engaged by the Township, shall uncover, make any connection to or opening into, use, alter, or disturb the Sewage Works or Drainage Works without first obtaining the approval of the Township.

No Person shall enter any Sewage Works or Drainage Works unless specifically authorized by the Township.

No Person shall break, damage, destroy, deface, remove or tamper, or cause or permit the breaking, damaging, destroying, defacing, removal or tampering of:

- any part of the Sewage Works or Drainage Works, including any maintenance hole cover, grate, cap; or
- any permanent or temporary device installed in the Sewage Works or Drainage Works for the purposes of flow measuring, sampling and testing of Wastewater, Uncontaminated Water or Stormwater.

No Person shall conceal, interfere with, construct or maintain, or cause or permit to be concealed or interfered with or constructed or maintained, anything that has the effect of concealing or interfering with access to a municipal or private maintenance hole, Interceptor, Catch Basin, or Sewer lateral inspection tee.

An abutting Owner or agent acting on behalf of such Owner may without approval enter a drainage ditch of the Drainage Works for the purpose of clearing the ditch of growth or debris, or to clear an obstruction or blockage. Such cleaning or clearing shall not alter the invert of the ditch.

Upon the provision of reasonable notice permitted by the requirement or circumstance, the Township may temporarily restrict the use of the Sewage Works or Drainage Works, including the temporary shut-off of water from the Township supply system, from time to time as necessary, to carry out inspections, cleaning, maintenance, repairs, Service Connection, modifications, replacement, relocation, or rehabilitation to any part of the Sewage Works or Drainage Works.

24. ENFORCEMENT AND ORDERS

An Officer or other duly authorized employees or agents of the Township, displaying or producing proper identification and accompanied by any person under his or her direction, may enter upon and inspect any land to ensure compliance with this By-law or a direction or order made under this By-law.

If an Officer is satisfied that a contravention of this By-law or a permit has occurred, they may make an order requiring the person who contravened the By-law, or who has caused or permitted the contravention, or the Owner of a premises on which the contravention occurred, to discontinue the contravening activity.

An order may be served on an Owner by:

- handing it to the Owner;
- handing it to an apparently adult Person on the Owner's property;
- posting it in a conspicuous place upon some part of the Owner's property and by sending a copy by regular mail; or
- sending it by prepaid registered mail to the Owner at the address where the Owner resides or the Owner's head/registered office address.

If an order is served by regular mail or registered mail, the service shall be deemed to have been made on the 5th day after the date of mailing.

An order shall set out:

- reasonable particulars of the contravention adequate to identify the contravention;
- the work to be completed; and
- the date by which the work must be completed.

Where an Owner fails to comply with an order issued under this By-law within the time specified for compliance, the Officer, with such assistance by others as may be required, may take steps to bring the property into compliance with any section of this By-law.

Where the Township, its employees or authorized agents, or contractors have performed work required to bring a property into compliance with this By-law, all expenses incurred by the Township in doing the work as well as any related fees, shall be deemed to be a debt to the Township and may be collected by action or the cost may be added to the tax roll for the property and collected in the same manner as municipal taxes.

No Person shall obstruct the Officer or any municipal employee or agent authorized to carry out work for the Township required to bring a property into compliance with this By-law.

25. PENALTIES

Every Person who contravenes any provision of this Bylaw is guilty of an offence pursuant to Section 425 of the *Municipal Act, 2001*, S.O. 2001 c.25, as amended, and pursuant to Section 429, all contraventions of this Bylaw are designated as continuing offences.

Every Person who is convicted of an offence is liable to a maximum fine of \$50,000 for the first offence and \$100,000 for a subsequent offence.

In addition to the fine amounts set out in subsection (2) of this section for each day or part of a day that an offence continues, the minimum fine shall be \$500 and a maximum fine shall not exceed \$10,000 per day or part of a day.

Every Person who, by act, offence, default, neglect or omission, occasions any loss, cost, damage or injury to the Sewage Works or Drainage Works, or any part or Appurtenance thereof, is liable to the Township for any and all financial losses and costs incurred as a result.

26. GENERAL PROVISIONS

This By-law shall be not be interpreted to permit anything which by the provision of any applicable federal or provincial Act or Regulation is prohibited.

Where there is a conflict between the provisions of this By-law and the provisions of a federal or provincial Act or Regulation, the provisions of the applicable Act or Regulation are to prevail.

Should a Court of competent jurisdiction declare a part or a whole of any provision of this By-law to be invalid, or of no force or effect, the provision is deemed severable from this By-law, and it is the intention of Council that the remainder survive and be applied and enforced in accordance with its terms to the extent possible under the law.

All Schedules attached hereto form part of this By-law.

27. REPEAL

This By-law hereby repeals and replaces By-laws No. 73-30 & 73-57.

READ a first and second time in Open Council this 29th day of September, 2025.

READ a third time and finally passed in Open Council this 29th day of September, 2025.

SCHEDULE ‘A’ TO BYLAW 2025–55: SEWER USE
Set Fines for Offences

Item	Short Form Wording	Provision Defining Offence	Set Fine \$
	Failure to submit a maintenance, operations, and inspection program for Private Sewage Collection System		100
	Failure to submit private facility performance details		100
	Discharge, deposit, or cause or permit the discharge or deposit of Matter which may become a health or safety hazard to a Township employee or be harmful to the Sewage Works		600
	Discharge, deposit, or cause or permit the discharge or deposit of Matter which may cause an offensive odour to emanate from the Sewage Works		600
	Discharge, deposit, or cause or permit the discharge or deposit of Stormwater, water from drainage of roofs or land, water from a Watercourse, or Uncontaminated Water to the Sewage Works		600
	Discharge, deposit, or cause or permit the discharge or deposit of water that has originated from a source separate from the water distribution system of the Township to the Sewage Works		600
	Discharge, deposit, or cause or permit the discharge or deposit of Matter which may discolour Sewage Works effluent		400
	Discharge, deposit, or cause or permit the discharge or deposit of sewage containing Hauled Sewage or Waste Disposal Site Leachate		400
	Discharge, deposit, or cause or permit the discharge or deposit of Wastewater containing a concentration in excess of the limits in Table 5-1 of this bylaw.		600
	Discharge, deposit, or cause or permit the discharge or deposit of Matter into the Drainage Works which may result in a hazard to any person, animal, property or vegetation		600
	Discharge or deposit of Wastewater into the Sewage Works or Drainage Works where water has been added to the discharge for the purposes of dilution to achieve compliance with Table 5-1 of this By-law		600
	Failure to ensure that oil and grease are prevented from entering the Sanitary Sewer in excess of the prescribed limits		300
	Failure to ensure that oil and grease Interceptors do not discharge to Storm Sewers		300
	Failure to install, operate or properly maintain an oil and grease interceptor		100
	Failure to ensure a building permit is obtained prior to installation of an oil and grease interceptor		100
	Failure to keep proof of interceptor clean-out for two years		100
	Discharge of emulsifiers to sewage works		100
	Use of enzymes, bacteria, solvents, hot water, or other agents to facilitate the passage of oil and grease through a grease interceptor		100
	Failure to ensure motor oil and lubricating grease are prevented from passing into the Sanitary Sewer in excess of the prescribed limits		300
	Failure to ensure sediment is prevented from entering the drain or Sewer in excess of prescribed limits		100

	Failure to maintain sediment interceptors in accordance with manufacturer's recommendations		100
	Failure to keep proof of sediment interceptor clean-out and disposal for 2 years		100
	Failure to provide sediment interceptor maintenance schedule or record of maintenance upon request		100
	Installation or operation of a domestic food grinding device which discharges to a Sewer		100
	Failure to appropriately store Matter which may threaten the natural environment or Township's water supply		600
	Discharge of Wastewater from a swimming pool, hot tub/spa, or wading pool in a manner other than which is approved under this By-law		100
	Discharge of Wastewater from a saltwater swimming pool, hot tub/spa, or wading pool in a manner other than which is approved under this By-law		100
	Failure to undertake flow monitoring of New Developments (Site Plan)		5,000
	Failure to undertake flow monitoring of New Developments (Subdivision)		500/lot
	Failure to remediate the new development system as stipulated by the Manager and in accordance with this bylaw		5,000
	Failure to notify the Township of a Spill		400
	Failure to provide a detailed spill report to the Township within 5 days of Spill		300
	Failure to clean up a Spill and restore affected area to its previous condition		600
	Failure to install or maintain in good repair a Monitoring Access Point for each connection to the Sewage Works		300
	Failure to ensure Monitoring Access Point is accessible to Township staff		300
	Unauthorized entry to sewage works		750
	Uncover, connect to, open, use, alter or disturb Sewage Works or Drainage Works without approval of General Manager		750
	Break, damage, destroy, deface, remove or tamper with any part of Sewage Works or Drainage Works		750
	Break, damage, destroy, deface, remove or tamper with any permanent or temporary device installed in Sewage Works or Drainage Works		750
	Obstructing an Environmental Protection Officer from carrying out work for the Township under the By-law		750

THE CORPORATION OF THE TOWNSHIP OF WILMOT

BY-LAW NO. 2025-56

BEING A BY-LAW TO AUTHORIZE THE MAYOR AND CLERK TO ENTER INTO AN AGREEMENT WITH THE TOWNSHIP OF WELLESLEY FOR BOUNDARY FIRE COVERAGE, ATTACHED AS SCHEDULE “A”

WHEREAS Subsection 5(3) of the Municipal Act, 2001, S.O. 2001, c.25, as amended, provides that a municipal power shall be exercised by by-law;

AND WHEREAS the Municipal Council of the Corporation of the Township of Wilmot is desirous of entering into a boundary fire coverage agreement with the Township of Wellesley, a copy of which is attached as Schedule “A” to this By-law.

NOW THEREFORE THE COUNCIL OF THE CORPORATION OF THE TOWNSHIP OF WILMOT ENACTS AS FOLLOWS:

- 1. That the Fire Services Boundary Agreement between the Corporation of the Township of Wilmot and the Township of Wellesley, as more particularly set forth in Schedule “A”, attached to this By-law be hereby accepted and approved.
- 2. That the Mayor and Clerk are hereby authorized to execute under seal the said Agreement and all other documents and papers relating to this transaction.

READ a first and second time in Open Council this 29th day of September, 2025.

READ a third time and finally passed in Open Council this 29th day of September, 2025.

Mayor

Clerk

THIS AGREEMENT made the _____ day of _____, 2025

BETWEEN

THE CORPORATION OF THE TOWNSHIP OF WELLESLEY

(hereinafter called “**Wellesley**”)

-AND-

THE CORPORATION OF THE TOWNSHIP OF WILMOT

(hereinafter called “**Wilmot**”)

WHEREAS Wilmot has requested Wellesley to supply Wilmot with fire protection;

AND WHEREAS Wellesley has agreed to supply said fire protection upon the terms and conditions set forth hereinafter;

NOW THEREFORE THIS AGREEMENT WITNESSETH THAT in consideration of mutual covenants and promises as hereinafter set forth, the parties agree each with the other as follows:

Wellesley agrees to provide to Wilmot fire protection consisting of firefighting, extrication services and medical assistance responses for those properties with structures thereon, being in the area described in Schedule I, attached hereto and forming part of this Agreement, in exchange for a flat charge in the amount of \$195.04 per property with structures thereon.

Wellesley agrees that for all structure fires and chimney fires, and automatic alarms, the Wilmot Station One (1) Baden will be dispatched at the same time as either the Wellesley Station, or the St. Clements Station, as the case requires.

Wellesley agrees that in calculating the flat rate charge of \$195.04 per property as defined in Schedule I attached to and forming part of this Agreement, there is no limit to the number of emergency calls.

Wellesley agrees to provide a report annually outlining all emergency responses attended within the boundary agreement area to the Fire Chief of Wilmot Township. Details will include dates, times, duration of call, attending apparatus, type of call, and general details of the incident(s) by January 31st of the new year.

Wellesley agrees to provide all Motor Vehicle Collision emergency response information to the Wilmot Fire Chief within 30 days of the incident and provide all required information that will permit Wilmot Fire Department to invoice any non resident's insurance company.

Wilmot agrees that Wellesley will be supplying a minimum number of fire apparatus as set out below, for any given emergency response;

- One Pumper
- One Tanker
- One Rescue Truck

Wilmot agrees that the number of apparatus and firefighters, up to the above mentioned minimum and the type of vehicle to be dispatched shall be within the sole discretion of the Wellesley Township Fire Chief.

Wilmot agrees to pay to Wellesley, in addition to the flat rate charge referred to herein, the invoiced costs of firefighting chemical agents supplied by the Wellesley Township Fire Department, provided that the said costs are not recoverable by the Wellesley Township Fire Department, and provided that no charges shall be levied by Wellesley to Wilmot for chemical agents used in hand-held first aid fire extinguishers.

Wilmot acknowledges that emergency response calls in the Township of Wellesley will be given priority over emergency response calls in Wilmot, subject to the sole discretion of the Wellesley Township Fire Chief.

In the event the Wellesley Township Fire Department responds to an emergency response on properties in Schedule I attached hereto and in the event the Department receives a subsequent emergency response call with respect to a fire within the Township of Wellesley, Wellesley hereby agrees that it will not abandon the fire scene until such time as:

- It has notified Fire Dispatch requesting Wilmot to respond to the fire scene;
- Wilmot has arrived at the fire scene; and,
- Wilmot has assumed command.

Wilmot hereby agrees to respond immediately to such fire calls upon being alerted to the same.

Wilmot agrees that Wellesley Township Fire Department will have first call with respect to any fires on those properties defined in Schedule I attached hereto, provided however that Wilmot will be alerted to respond, as stated in item 2 of this agreement.

Wilmot agrees save harmless the Township of Wellesley and the Fire Department in the event of any damage to a physical right-of-way which is not a municipal road.

Wilmot agrees to supply Wellesley with the names and addresses of each such property presently existing, and Wilmot agrees to keep such list updated when new buildings take place in the defined areas.

The parties agree that the fees for services as outlined in this agreement will increase by 2% per year during the term of the agreement.

The parties hereto agree that this agreement may be amended at any time by the mutual consent of the parties, after the party desiring the amendments(s) gives the other party a minimum of sixty (60) days written notice of the proposed amendments(s).

The parties hereto agree that the term of this Agreement shall be deemed to be in force and to be effective from the First day of January, 2025 to the 31st day of December 2029, and this Agreement shall remain in effect until a new one is made. If no agreement is made then Wellesley shall bill Wilmot for the coverage period provided beyond the effective date on a pro-rated basis.

IN WITNESS WHEREOF The Corporation of the Township of Wellesley has hereunder affixed its corporate seal under the hands of its Mayor and Clerk and the Corporation of the Township of Wilmot has hereunto affixed its corporate seal under the hands of its Mayor and Clerk.

**THE CORPORATION OF THE TOWNSHIP OF WILMOT
BY-LAW NO. 2025-58**

**BY-LAW TO APPOINT AN ACTING DEPUTY TREASURER FOR THE CORPORATION
OF THE TOWNSHIP OF WILMOT**

WHEREAS, Section 286(2) of the Municipal Act, S.O. 2001, c. 25 s amended, provides that a Council may appoint a Deputy Treasurer.

**NOW THEREFORE THE MUNICIPAL COUNCIL OF THE CORPORATION OF THE
TOWNSHIP OF WILMOT ENACTS AS FOLLOWS:**

1. THAT Jeff Willmer is hereby appointed as Acting Deputy Treasurer of the Township of Wilmot; and,
2. THAT the powers and duties of said Deputy-Treasurer shall be as set out respectively under the provisions of the Municipal Act and the regulations authorized hereby and every other Act and the regulations thereby and in addition, the by-laws of the Corporation of the Township of Wilmot; and,
3. THAT in addition to the duties required to be performed under any statute the Deputy Treasurer shall perform such other duties, as may, from time to time, be assigned to the Treasurer by by-law of Council; and,
4. THAT any by-laws previously appointing any other individual(s) as Deputy Treasurer are hereby rescinded.
5. THAT this by-law shall take effect and come into force on the date of passage.

READ a first and second time this 29th day of September, 2025.

READ a third time and finally passed in open Council this 29th day of September, 2025.

Mayor

Clerk

THE CORPORATION OF THE TOWNSHIP OF WILMOT

BY-LAW NO. 2025-59

**TO CONFIRM THE PROCEEDINGS OF COUNCIL
AT ITS MEETING HELD ON SEPTEMBER 29, 2025**

**THE COUNCIL OF THE CORPORATION OF THE TOWNSHIP OF WILMOT
ENACTS AS FOLLOWS:**

- 1. The actions of the Council at its meeting held on September 29, 2025, with respect to each recommendation contained in the reports forwarded to Council, and in respect to each resolution and other action passed and taken by Council at this meeting, except where the prior approval of the Ontario Land Tribunal is required, are hereby adopted, ratified and confirmed.
- 2. The Mayor or in their absence the presiding officer of Council and the proper officials of the municipality are hereby authorized and directed to do all things necessary to give effect to the said action or to obtain approvals where required and except where otherwise provided, the Mayor or in their absence the presiding officer, and the Clerk, or in their absence, the Deputy Clerk, are hereby directed to execute all documents required by statute to be executed by them, as may be necessary in that behalf and to affix the corporate seal of the municipality to all such documents.

READ a first and second time this 29th day of September, 2025.

READ a third time and finally passed in open Council this 29th day of September, 2025.

Mayor

Clerk
